A user-friendly reference guide plus workbook containing the most important rules of English grammar, punctuation, capitalization, and writing numbers that people need every day. Full of helpful, real-world examples, exercises, tests, and answers. Perfect for business professionals, professors, teachers, students, and home schooling families, The Blue Book of Grammar and Punctuation is used in hundreds of universities, high schools, middle schools and corporations through the United States as well as in developing nations. Take an online quiz, get editing help, order the book, join the Q&A club, read Jane Straus's articles, or register for her monthly newsletter.

TEACHING STRATEGIES: A GUIDE TO EFFECTIVE INSTRUCTION, now in its tenth edition, is known for its practical, applied help with commonly used classroom teaching strategies and tactics. Ideal for anyone studying education or involved in a site-based teacher education program, the book focuses on topics such as lesson planning, questioning, and small-group and cooperative-learning strategies. The new edition maintains the book's solid coverage, while incorporating new and expanded material on InTASC standards, a new chapter on teaching in the inclusive classroom, and an up-to-date discussion of assessment as it relates to inclusion. The text continues to be supported by a rich media package anchored by TeachSource Video Cases, which bring text content to life in actual classroom situations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Original text, modern Tamil, and English translations of Tirukkura , ancient Tamil didactic verse work, by Tiruva uvar, Tamil poet.

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

pubOne.info present you this new edition. It was with considerable reluctance that I abandoned in favour of the present undertaking what had long been a favourite project: that of a new edition of Shelton's "Don Quixote," which has now become a somewhat scarce book. There are some- and I confess myself to be one- for whom Shelton's racy old version, with all its defects, has a charm that no modern translation, however skilful or correct, could possess. Shelton had the inestimable advantage of belonging to the same generation as Cervantes; "Don Quixote" had to him a vitality that only a contemporary could feel; it cost him no dramatic effort to see things as Cervantes saw them; there is no anachronism in his language; he put the Spanish of Cervantes into the English of Shakespeare. Shakespeare himself most likely knew the book; he may have carried it home with him in his saddle-bags to Stratford on one of his last journeys, and under the mulberry tree at New Place joined hands with a kindred genius in its pages.

NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they ' ll actually want to read, from Random House ' s longtime copy chief and one of Twitter ' s leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness " Essential (and delightful!) " —People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House ' s copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer ' s English offers lessons on punctuation, from the underloved semicolon to the enigmatic em dash; the rules and nonrules of grammar, including why it ' s OK to begin a sentence with " And " or " But " and to confidently split an infinitive; and why it ' s best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including " very, " " rather, " " of course, " and the dreaded " actually. " Dreyer will let you know whether " alright " is all right (sometimes) and even help you brush up on your spelling—though, as he notes, " The problem with mnemonic devices is that I can never remember them. " And yes: " Only godless savages eschew the series comma. " Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people ' s prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer ' s English " Playful, smart, self-conscious, and personal. . . One encounters wisdom and good sense on nearly every page of Dreyer ' s English. " —The Wall Street Journal " Destined to become a classic. " —The Millions " Dreyer can help you . . . with tips on punctuation and spelling. . . Even better: He ' ll entertain you while he ' s at it. " —Newsday

In this book, Janet Alsup reports and theorizes a multi-layered study of teacher identity development. The study, which followed six pre-service English education students, was designed to investigate her hypothesis that forming (or failing to form) a professional identity is central in the process of becoming an effective teacher. This work addresses the intersection of various types of discourse within the process of professional identity development, emphasizes that the intersection of the personal and professional in teacher identity formation is more complex than is acknowledged in typical methods classes, and accents the need for teacher educators to take steps to facilitate such integration. Specific suggestions for methods courses are presented that teacher educators can use as is or adapt to their own contexts. Teacher Identity Discourses: Negotiating Personal and Professional Spaces speaks eloquently to faculty, researchers, and graduate students across the field of teacher education.

TEACHING STRATEGIES: A GUIDE TO EFFECTIVE INSTRUCTION, now in its eleventh edition, is known for its practical, applied help with commonly used classroom teaching strategies and tactics. Ideal for anyone studying education or involved in a site-based teacher education program, the book focuses on topics such as lesson planning, questioning, and small-group and cooperative-learning strategies. The new edition maintains the book's solid coverage, while incorporating new and expanded material on classroom technology integration, English Language Learner instruction, and proactive classroom management, as well as an up-to-date discussion of teaching students with disabilities and differentiated instruction. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Kids will be inspired by this unique coloring book that focuses on positive thinking. Thirty phrases — Be Curious, Be Patient, Be Forgiving, more — are surrounded by whimsical, kid-friendly art.
