I would download the service manual from the manuals/schematics section of the forums and test every component in the ES system as instructed in the manual.

250 Recon shifting problems. | Honda ATV Forum
Many of us have Electric Shift (ES) models. In fact, Honda sells approximately EIGHT times as many ES models for every foot-shift model sold. The ES models are very reliable. But, because of the number of ES machines that are sold and owned, it sometimes seems that there are more difficulties with ES shifting than with manual shifting.
