Based on the international best-seller by Amos Oz, A TALE OF LOVE AND DARKNESS is the story of his youth, set against the backdrop of the end of the British Mandate for Palestine and the early years of the State of Israel. The film details the young man's relationship with his mother and his beginnings as a writer, while looking at what happens when the stories we tell, become the stories we live.

Love and darkness are just two of the powerful forces that run through Amos Oz's extraordinary, moving story. He takes us on a seductive journey through his childhood and adolescence, along Jerusalem's war-torn streets in the 1940s and '50s, and into the infernal marriage of two kind, well-meaning people: his fussy, logical father, and his dreamy, romantic mother.

on IMDb: Movies, TV, Celebs, and more...

There are some scenes of implied violence, the strongest of which feature some blood spurting on a sheet as seen when a woman standing behind it is shot, a scene where a boy is implied to be shot as he slumps to the ground while playing with a ball, and some black-and-white shots of war footage featuring some explosions, casualties lying on ground, etc.

Michal: A Tale of Love and Hate. Michal by ©Micah Hayns. 1 Samuel 18-19; 2 Samuel 3.13-16; 6.12-23. There's a beautiful word in Hebrew חֶסֶד that's pronounced 'hesed'. It's often translated as 'loving kindness' and is a word that describes the sacrificial love that exists between people, and that of the love God has for humanity.
