Extensive research and interviews with people directly involved in Hitler's public and private life form the basis for the Pulitzer Prize-winning historian's detailed portrait of Hitler

Pulitzer Prize-winning historian John Toland's classic, definitive biography of Adolf Hitler remains the most thorough, readable, accessible, and, as much as possible, objective account of the life of a man whose evil affect on the world in the twentieth century will always be felt. Toland's research provided one of the final opportunities for a historian to conduct personal interviews with over two hundred individuals intimately associated with Hitler. At a certain distance yet still with access to many of the people who enabled and who opposed the führer and his Third Reich, Toland strove to treat this life as if Hitler lived and died a hundred years before instead of within his own memory. From childhood and obscurity to his desperate end, Adolf Hitler emerges , in Toland's words, "far more complex and contradictory . . . obsessed by his dream of cleansing Europe Jews . . . a hybrid of Prometheus and Lucifer."

Following the success of Rees' bestselling Auschwitz, this substantially revised and updated edition of The Nazis - A Warning from History tells the powerfully gripping story of the rise and fall of the Third Reich. During a 16-year period, acclaimed author and documentary-maker Laurence Rees met and interviewed a large number of former Nazis, and his unique insights into the Nazi psyche and World War 2 received enormous praise. At the heart of the book lies compelling eyewitness accounts of life under Adolf Hitler, spoken through the words of those who experienced the Nazi regime at every level of society. An extensive new section on the Nazi/Soviet war (previously published in Rees' War of the Century) provides a chilling insight into Nazi mentality during the most bloody conflict in history. Described as one of the greatest documentary series of all times The Nazis - A Warning from History won a host of awards, including a BAFTA and an International Documentary Award.

Traces Hitler's life from his childhood in Austria to his final days in Berlin, exploring how his promises of prosperity and power along with anti-Semitic rhetoric allowed him to lead the nation of Germany into World War II.

Download Ebook Adolf The Definitive Biography

Adolf Hitler, byname Der Führer (German: "The Leader"), (born April 20, 1889, Braunau am Inn, Austria-died April 30, 1945, Berlin, Germany), leader of the Nazi Party (from 1920/21) and chancellor (Kanzler) and Führer of Germany (1933-45). What You'll Learn: - Where Hitler came from and what inspired him to extremist beliefs - His role in creating a new ideology, one that persists today - The young, ambitious politician and how he rose to prominence - How the Führer came to be, and how he gathered his power - How Hitler was beaten, and his final days

The most notorious man in history, Adolf Hitler, is best known for having perpetrated crimes against humanity over the six-year course of World War II. His brutal extermination policies are responsible for the deaths of close to 30 million people he considered inferior, and added to that, the military casualties suffered by all parties, yields a grand total of approximately 60 million people dead by the end of the war. That number equates to 3% of the world's population at the time. But, who was this man? What made him into the monster he became? Can his childhood explain the formation of such a brutal dictator? Inside you will read about... ? Hitler's Early Years ? Hitler's Years in Vienna ? Life After Vienna – Hitler's Early Military Career ? The Formation of the Nazi Party ? Hitler's Imprisonment and Subsequent Rise to Power ? World War II This eBook tells the story of the man behind the monster in concise yet thorough detail. Hitler's childhood, his early life and dreams of becoming an artist, his military career in World War I, his subsequent rise to power as the leader of the Nazi Party, and his rule during the war are presented in succinct, compelling detail packed with historical information that makes for an entertaining and informative read.

Originally published: Germany: S. Fischer Verlag.

From a prize-winning historian, the definitive biography of Adolph Hitler Hitler offers a deeply learned and radically revisionist biography, arguing that the dictator's main strategic enemy, from the start of his political career in the 1920s, was not communism or the Soviet Union, but capitalism and the United States. Whereas most historians have argued that Hitler underestimated the American threat, Simms shows that Hitler embarked on a preemptive war with the United States precisely because he considered it such a potent adversary. The war against the Jews was driven both by his anxiety about combatting the supposed forces of international plutocracy and by a broader desire to maintain the domestic cohesion he thought necessary for survival on the international scene. A powerfully argued and utterly definitive account of a murderous tyrant we thought we understood, Hitler is essential reading for anyone seeking to understand the origins and outcomes of the Second World War.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE TELEGRAPH • From renowned German Holocaust historian Peter Longerich comes the definitive one-volume biography of Adolf Hitler's malevolent minister of propaganda. In life, and in the grisly manner of his death, Joseph Goebbels was one of Adolf Hitler's most loyal acolytes. By the end, no one in the Berlin bunker was closer to the Führer than his devoted Reich minister for public enlightenment and propaganda. But how did this clubfooted son of a factory worker rise from obscurity to become Hitler's most trusted lieutenant and personally anointed successor? In this ground-breaking biography, Peter Longerich sifts through

Download Ebook Adolf The Definitive Biography

the historical record—and thirty thousand pages of Goebbels's own diary entries—to provide the answer to that question. Longerich, the first historian to make use of the Goebbels diaries in a biographical work, engages and challenges the self-serving portrait the propaganda chief left behind. Spanning thirty years, the diaries paint a chilling picture of a man driven by a narcissistic desire for recognition who found the personal affirmation he craved within the virulently racist National Socialist movement. Delving into the mind of his subject, Longerich reveals how Goebbels's lifelong search for a charismatic father figure inexorably led him to Hitler, to whom he ascribed almost godlike powers. This comprehensive biography documents Goebbels's ascent through the ranks of the Nazi Party, where he became a member of the Führer's inner circle and launched a brutal campaign of anti-Semitic propaganda. Though endowed with near-dictatorial control of the media—film, radio, press, and the fine arts—Longerich's Goebbels is a man dogged by insecurities and beset by bureaucratic infighting. He feuds with his bitter rivals Hermann Göring and Alfred Rosenberg, unsuccessfully advocates for a more radical line of "total war," and is thwarted in his attempt to pursue a separate peace with the Allies during the waning days of World War II. This book also reveals, as never before, Goebbels's twisted personal life—his mawkish sentimentality, manipulative nature, and voracious sexual appetite. A harrowing look at the life of one of history's greatest monsters, Goebbels delivers fresh insight into how the Nazi message of hate was conceived, nurtured, and disseminated. This complete portrait of the man behind that message is sure to become a standard for historians and students of the Holocaust for decades to come. Praise for Goebbels "Peter Longerich . . . has delved into rarely accessed material from his subject's diaries, which span thirty years, to paint a remarkable portrait of the man who became one of Hitler's most trusted lieutenants."—The Daily Telegraph Praise for Heinrich Himmler "There have been several studies of this enigmatic man, but Peter Longerich's massive biography, grounded in exhaustive study of the primary sources, is now the standard work and must stand alongside Ian Kershaw's Hitler, Ulrich Herbert's Best and Robert Gerwarth's Hitler's Hangman: The Life of Heydrich as one of the landmark Nazi biographies. As the author of a celebrated study of the Holocaust, Longerich is better able than his predecessors to situate Himmler within the vast machinery of genocide. And he brings to his task a gift for capturing those mannerisms that are the intimate markers of personality."—London Review of Books "[An] excellent and comprehensive biography."—The New York Review of Books

Adolf Hitler (1889-1945) was the founder and leader of the Nazi Party and the most influential voice in the organization, implementation and execution of the Holocaust, the systematic extermination and ethnic cleansing of six million European Jews and millions of other non-aryans. Hitler was the Head of State, Supreme Commander of the Armed Forces and guiding spirit, or fuhrer, of Germany's Third Reich from 1933 to 1945.
