enigmatic sculptures and installations that explore concepts of space, time, science, and philosophy. She creates immersive experiences about discovery, begging viewers to question their perception of reality.

~~Alicja Kwade | artnet~~

Alicja Kwade's mixed-media works manipulate mental perceptions and physical experiences of how the body inhabits space and time. Kwade frequently uses imperfect doubling, mirror images, and repetition in her practice.

TunnelTeller, Alicja Kwade's first large-scale, site-specific installation in the U.S., signifies her growing reputation stateside after a recent Public Art Fund project in Central Park and a solo exhibition at 303 Gallery in New York.

~~Alicja Kwade — Sculpture~~

The work of Alicja Kwade (*1979) is inspired by scientific, philosophical and social questions. By exploring models and constructs that form our perception of time, space and matter, her large-scale installations question the possibilities of objective and

303 Gallery is pleased to announce our first solo exhibition with Alicja Kwade, the gallery's inaugural exhibition at its new home at 555 West 21st Street. Using sculpture as a means to tap into the most elemental questions of human sensibility, Kwade's work proposes structures for probing the concentric systems of perception that constitute reality.
