The author recounts growing up in a poor Irish neighborhood, and remembers the four brothers he lost to violence.

MacDonald's first book told of the loss of the author's four siblings to the violence, poverty, and gangsterism of Boston's Irish-American ghetto. The question "How did you get out?" has haunted him ever since. This narrative of reinvention begins with th

Winner of the Pulitzer Prize, the National Book Critics Circle Award, the Robert F. Kennedy Book Award, and the American Book Award, the bestselling Common Ground is much more than the story of the busing crisis in Boston as told through the experiences of three families. As Studs Terkel remarked, it's "gripping, indelible...a truth about all large American cities." South Boston, once a part of Dorchester, was annexed to the city of Boston in 1804. Previously known as a tight-knit community of Polish, Lithuanian, and Irish Americans, South Boston has seen tremendous growth and unprecedented change in the last decade.

Examines the shifting paradigm of unmarried fatherhood in inner cities in the United States, citing how economic and cultural changes have transformed the meaning of fatherhood among the urban poor.

Perhaps the most spectacular reaction to court-ordered busing in the 1970s occurred in Boston, where there was intense and protracted protest. Ron Formisano explores the sources of white opposition to school desegregation. Racism was a key factor, Formisano argues, but racial prejudice alone cannot explain the movement. Class resentment, ethnic rivalries, and the defense of neighborhood turf all played powerful roles in the protest. In a new epilogue, Formisano brings the story up to the present day, describing the end of desegregation orders in Boston and other cities. He also examines the nationwide trend toward the resegregation of schools, which he explains is the result of Supreme Court decisions, attacks on affirmative action, white flight, and other factors. He closes with a brief look at the few school districts that have attempted to base school assignment policies on class or economic status.
