Free Books Online PDF: The Annotated and Illustrated Double Helix - 2012. The most celebrated account of that story is The Double Helix, Watson's novelistic version of the events as they appeared to a 23-year-old American in Cambridge in the early 1950s. Written not in the tone of a formal autobiography nor in the measured language of the historian, his racy and thrillerlike telling was reviled by some and praised by many upon publication in 1968.
