The FAAT List is not designed to be an authoritative source, merely a handy reference. Inclusion recognizes

Online Library Atco Admiral 16se Manual

terminology existence, not legitimacy.
Entries known to be obsolete are included
because they may still appear in extant
publications and correspondence.

This volume is the proceedings of the

Page 41/47

Online Library Atco Admiral 16se Manual

Symposium entitled, "Work, Organizations and Technological Change" which was held in Garmisch-Partenkirchen, West Germany, 14-19 June 1981. The meeting was sponsored by the Special Panel on Systems Sciences of the NATO Scientific Affairs Division. In proposing this meeting the Symposium

Online Library Atco Admiral 16se Manual

Directors built upon several preceding NATO conferences in the general area of personnel systems, manpower modelling, and organization. The most recent NATO Conference, entitled "Manpower Planning and Organization Design," was held in Stresa, Italy in 1977. That meeting was organized to foster research on the

Online Library Atco Admiral 16se Manual

interrelationships between programmatic approaches to personnel planning within organizations and behavioral science approaches to organization design. From that context of corporate planning the total internal organizational perspective was the MACRO view, and the selection, assignment, care and feeding of the people

Online Library Atco Admiral 16se Manual

was the MICRO view. Conceptually, this meant that an integrated approach was needed if all the dimensions of such problems within private and public organizations were to come out correctly.

Monthly magazine devoted to topics of general scientific interest.
