The automotive industry appears close to substantial change engendered by "self-driving" technologies. This technology offers the possibility of significant benefits to social welfare—saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.

There's nothing wrong with being shy. But if social anxiety

keeps you from forming relationships with others, advancing in your education or your career, or carrying on with everyday activities, you may need to confront your fears to live an enjoyable, satisfying life. This new edition of The Shyness and Social Anxiety Workbook offers a comprehensive program to help you do just that. As you complete the activities in this workbook, you'll learn to: Find your strengths and weaknesses with a self-evaluation ; Explore and examine your fears; Create a personalized plan for change; Put your plan into action through gentle and gradual exposure to social situations.... Information about therapy, medications, and other resources is also included. After completing this program, you'll be well-equipped to make connections with the people around you. Soon, you'll be on your way to enjoying all the benefits of being actively involved in the social world.

This Bentley Manual contains in-depth maintenance, service and repair information for Audi A6 models from 1998 to 2004. The aim throughout has been simplicity and clarity, with practical explanations, step-by-step procedures and accurate specifications. Whether you're a professional or a do-it-yourself Audi owner, this manual helps you understand, care for and repair your Audi. The do-it-yourself Audi owner will find this manual indispensable as a source of detailed maintenance and repair information. Even if you have no intention of working on your car, you will find that reading and owning this manual makes it possible to discuss repairs more intelligently with a professional technician.
