Since her creation in 1959, Barbie has broken cultural, social, and linguistic barriers, all while showcasing a fabulous fashion sense. Organized into five sections: Barbie Is Fashion; Barbie's Family; Dolls of the World; Barbie's Careers; and Queen, Diva and Celebrity, Barbie as Global Icon, Barbie: The Icon celebrates the impact Barbie has had in culture for three generations in everything from style, to fashion, to careers, that makes her the voice of the contemporary

woman, the voice of pop culture, and the image of a genuine living legend.

Barbie Forever: Her Inspiration, History, and Legacy presents a detailed, fully authorized portrait of this beloved doll through all-new interviews, original sketches, vintage photos, advertisements, and much more—including a foreword by Olympic fencing medalist Ibtihaj Muhammad. A double-sided foldout timeline showcases important moments in Barbie history. Explore how the doll came to be, what it takes to create one of her many looks, and how her legacy continues to influence the world. Since her debut in 1959, Barbie has been breaking boundaries and highlighting major moments in art, fashion, and culture. She has been an interpreter of taste and style in every historic period she has lived through and has reflected female empowerment through the more than 200 careers she has embodied. Today, an international icon, Barbie continues to spark imaginations and influence conversations around the world. Barbie Forever is a vibrant celebration for the "Barbie Girl" in all of us.

A legendary fashion designer for Barbie shares the story of her adventures working behind-the-scenes at Mattel, and spotlights the creations that transformed the world's most famous doll into a style icon in this beautifully designed book—published in commemoration of Barbie's sixtieth anniversary—illustrated with 100 full-color photographs, including many never-before-seen images of rare and one-of-a-kind pieces from the author's private archive. Dressing Barbie is a dazzling celebration of the clothes that made America's favorite doll, and the incredible woman behind them. For thirty-five

years, Carol Spencer enjoyed an unparalleled reign as a Barbie fashion designer, creating some of Barbie ' s most iconic looks from the early 1960s until the late 1990s. Barbie ' s wide-ranging wardrobe—including princess gowns and daisy-print rompers, flirty sundresses and smart pantsuits— combined fashion trends and haute couture with a liberal dose of fantasy. In *Dressing Barbie*, the successful and prolific designer reminisces about her time at Mattel working with legendary figures such as Ruth Handler, Barbie ' s creator, and Charlotte Johnson, the original Barbie designer, and talks about her best and most beloved clothing designs from each decade. But Carol ' s most impressive creation is her own life. As Handler famously said, “ Barbie always represented the fact that a girl has choices ” —a credo Carol epitomized. In *Dressing Barbie*, she talks candidly about how she broke free of the constraints of the late 1950s to pursue a dazzling career and an independent life for herself. Over the course of her successful and prolific career, Carol won many accolades. She was the first designer to have her signature on the doll, the first to go on a signing tour, the first to design a limited-edition Barbie Doll for collectors, and the designer of the biggest selling Barbie of all time. Now, Carol is the first member of the inner circle to take fans behind the pink curtain, revealing the fashion world of Barbie, the quintessential California girl, as never before.

Accessible, aspirational and packed with exclusive interviews, Luca Caioli and Cyril Collot's superstar biographies are perfect for readers of all ages.

This stunning book, curated by Schiffer herself, is a highly personal collection of her favorite

fashion moments and a tour-de-force of beauty, tracing her work from übermodel to muse to modern-day icon, as captured by the greatest photographers the fashion industry has known: Richard Avedon, Patrick Demarchelier, Arthur Elgort, Steven Klein, Peter Lindbergh, Steven Meisel, Herb Ritts, Francesco Scavullo, Mario Testino, Ellen von Unwerth, and many more. Like Kate: The Kate Moss Book and Becoming, by Cindy Crawford, this visually sumptuous book features the greatest hits of this supermodel and global fashion and beauty icon. From her role as the face of Chanel to her appearance on a thousand magazine covers, Schiffer remains the eternal blonde. Claudia Schiffer is one of the handful of models who have become modern icons Her face has appeared on the covers of Vogue, Elle, Harper's Bazaar, Cosmopolitan, Vanity Fair--even on the cover of Time. People has listed her among the "Twenty-Five Most Beautiful People" and US magazine among the "Ten Most Beautiful Women" in the world. She was number 73 on the Forbes list of the 100 most influential personalities in the world. She has done the catwalk for the world's greatest designers and is one of the most photographed faces of our time. Model. Muse. Global fashion icon. Claudia Schiffer is legendary both in terms of accomplishments and longevity. From her discovery at age seventeen in a Düsseldorf discotheque to becoming Karl Lagerfeld ' s muse and landing multimillion-dollar beauty contracts, Schiffer ' s record-breaking successes catapulted her to international fame. With a career spanning over three decades, she is still snaring magazine editorials and advertising campaigns today.

Learn about the very first Barbie doll, explore all the careers Barbie has had over the years, and design your own Barbie-inspired looks using her clothes and accessories in this

interactive book with more than 1,000 stickers! For more than 60 years, Barbie has been inspiring children everywhere, and this incredibly fun and interactive sticker book brings her history to life! Travel with Barbie through the decades and see her many looks and styles, her different careers, and all her special talents, like playing in a band and practicing gymnastics! Designed for kids ages 6 to 8, this book includes more than 1,000 stickers that can be used to illustrate Barbie ' s many looks—including Barbie as a judge, a racecar driver, a head chef, an ice skater, a scientist, and so many more! These pages provide almost endless imagination and good times. Plus, the text is full of interesting facts about Barbie, her friends and family, and her incredible history. Everyone who loves Barbie will treasure this book.

A lavishly illustrated volume of C.G. Jung ' s visual work, from drawing to painting to sculpture. A world-renowned, founding figure in analytical psychology, and one of the twentieth century ' s most vibrant thinkers, C.G. Jung imbued as much inspiration, passion, and precision in what he made as in what he wrote. Though it spanned his entire lifetime and included painting, drawing, and sculpture, Jung ' s practice of visual art was a talent that Jung himself consistently downplayed out of a stated desire never to claim the title “ artist. ” But the long-awaited and landmark publication, in 2009, of C.G. Jung ' s *The Red Book* revealed an astonishing visual facet of a man so influential in the realm of thought and words, as it integrated stunning symbolic images with an exploration of “ thinking in images ” in therapeutic work and the development of the method of Active Imagination. The remarkable depictions that burst forth from the pages of that calligraphic volume remained largely unrecognized and unexplored until publication. The release of *The Red*

Book generated enormous interest in Jung ' s visual works and allowed scholars to engage with the legacy of Jung ' s creativity. The essays collected here present previously unpublished artistic work and address a remarkably broad spectrum of artistic accomplishment, both independently and within the context of The Red Book, itself widely represented. Tracing the evolution of Jung ' s visual efforts from early childhood to adult life while illuminating the close relation of Jung ' s lived experience to his scientific and creative endeavors, The Art of C.G. Jung offers a diverse exhibition of Jung ' s engagement with visual art as maker, collector, and analyst.
