This is the sequel to Ugly about a girl who is so abused by her mom who always tells her how ugly she is. This book is about Constance trying to become a lawyer. Maybe because of the translation but sometimes I thought her very weird but can you blame her.

I thought Beyond Ugly was a book written with such a strong meaning. I liked the way it was described. I thought that Constance was really a lost soul as she tried to improve her image; that really did not need improving. I liked the book and I would give a high rating.

Beyond Ugly by C. Briscoe

The new album "Beyond Ugly" is great, as are their first two albums. "Ugly Side of Love" is one of my top 20 favorite albums of all-time. Psychedelic, beat-heavy, distinct vocals and catchy melodies. It's a crime that this band isn't more known in the world of music.

What is now deemed the third and final installment in their "Ugly" trilogy, 2014's *Beyond Ugly* revisits Malachai's vivid world of retro-sonic pastiche and dark, urban storytelling.

Beyond Ugly - Malachai | Songs, Reviews, Credits | AllMusic

Wasting no time, *Beyond Ugly* hits the ground running with the wild, riff-heavy opener "Sweet Flower," an energetic murder rave-up that has singer Ealey spitting fire within the album's first 30 seconds. As with their two previous releases, the album follows a trail of genre-bending samples and live instrumentation that touches on everything from dub to Bollywood, all nimbly stitched together by Hendy's crafty, psychedelic edits and Ealey's laddish, ringleader vocals.

Briscoe is known for her books *Ugly* (2006) and *Beyond Ugly* (2008), in which she claims she was verbally and physically abused by her mother and stepfather as a child. She underwent facial and other cosmetic surgery at university. She often spoke publicly about her experiences.

Constance Briscoe - Wikipedia

It was Constance's mother who told her she was ugly. Over and over again. And that was just one strand of a childhood blighted by physical and emotional abuse. But the young girl had a strength and resilience beyond her years. She put herself through.
