Contrary to popular belief, black women like white men. My first love was, unsurprisingly, a 20-something white boy who loved Mario Kart, thought Olive Garden was spicy and loved ... watching fart porn (remember, love is unconditional). You could say we got into it multiple times partly because of how racially ignorant he was and knew nothing about dating a black girl.

Black women like white men when they do these things

White men are great partners for women of all races. Black women especially love white men because of how different it is from dating men of other races. They Are Responsible With Finances When it comes to money, white men usually know how to manage it.

Why Black Women Love White Men - Heart Unbound

There were some black men who were doms, but based on their profiles, they were masters of primarily white women. If I'd reached out to them, I think I would've been ignored or rejected. I didn't feel like I'd be safe or respected if I tried to attend one of the gatherings — not as someone new to the life and definitely not as a black woman.
