BMW Warning Lights | What Does my BMW Dashboard Light Mean?

Warning signs with BMW dashboard may vary in some models but are mostly the same, and the signs are very close to each other. The warning lights with the BMW display panel light up and go off for a few seconds when you bring the ignition key to the first stage. If the lamps that are illuminated in red do not go out after the vehicle has started working, this indicates that there is a malfunction in your vehicle and it is recommended that you do not use your vehicle.
