BMW's S1000RR has made its mark on the race track, both in World Superbike and Superstock 1000 and at the Isle of Man TT, but what is quite staggering is how much market share it has taken from the established four cylinder supersports models from Japan. Launched for race use only at the 2008 Cologne show, the first RR went on sale to the public at the very end of 2009. Further updates ...
