conducting her own investigation. She doesn't count on having to work with the enigmatic and handsome Eric Richards. Artifact expert Eric has hidden reasons for coming to Gemini, and he doesn't relish working with anyone who might thwart his search for answers. Will they keep their true identities and their missions hidden? Or can they learn to trust each other and together discover Gemini's terrible secret?

The Gemini male has a lively imagination, and therefore needs stimulation and fantasy. The real world doesn't always appeal to the Gemini male. This means that single Gemini males will be hard to pin down, as they have a tendency to be looking over their shoulder for the next pretty face. Gemini Female Very often taller and more slender than her sisters, with long legs and arms. Quick in movement with piercing eyes. Love and sex are as one in the Female Gemini mind

the personality characteristics of each of the Sun, Moon, Mercury, Venus, Mars, and Rising (Ascendant) signs, as well as which archangels to call upon in association with them. Angel Astrology 101 is perfect for anyone who is new to these subjects—but it also offers plenty of fresh insights and material for those who have long worked with either astrology or the angels.

“Gemini is an unforgettable novel—a morality tale, a mystery, and a love story that will leave readers breathless” (Maria Semple, New York Times bestselling author of *Where’d You Go, Bernadette*). As should be the case with any memorable love story, the first time Raney Remington saw Bo she hated him. When the skinny kid from the city first arrives in her Pacific Northwest hometown, Raney doesn’t quite know what to make of him. Yet her intense dislike of the know-it-all bookworm softens as Bo latches on to Raney, eager to learn about the Washington island he’s been sent for the summer. Decades later Dr. Charlotte Reese finds herself fighting to keep an unconscious ICU patient stable while also unwrapping the mystery of the unconscious woman, the victim of a hit-and-run. Consumed by questions about the woman’s identity, Charlotte enlists Eric, her journalist boyfriend, to investigate. Their search for answers brings them to heartrending truths about Jane Doe—and themselves. In beautiful interwoven storytelling, master of medical drama Carol Cassella presents two women—lifetimes apart—who face the inescapable forces shaping their lives. Filled with stunning medical detail and set against the breathtaking backdrop of the Pacific Northwest, Gemini is a vivid novel of moral
