for coming world events. Part II - The Wesak Festival Every Spring at the second full moon of Taurus, there is a special meeting of great spiritual significance--the Wesak Valley Festival. It is a time when the Ascended Masters of the Great Hierarchy meet and, with the aid of the Christ and the Buddha, create special energies for the aid of human enlightenment. This activity occurs in the Valley of the Wesak which is situated between India and Tibet. Almost a third of the world's population know of this auspicious occasion and celebration. It is now becoming known in the Western world where world servers are joining in receiving the special energies as they are being sent to aid an evolving humanity.

Another much expanded edition, which combines the text of the popular volume THE WAY OF THE SUN, now out of print, with three unpublished teachings by White Eagle explaining the significance of the cycle of the Sun through the months, and how Christian teaching ties in with other teachings such as Buddhism. The whole book provides the most beautiful reading which mark the passage of the seasons as well as the key festivals (and not just the Christian ones).

The authors introduce the various theories, methods and applications associated with the sociolinguistic approach known as critical discourse analysis. The authors assume no previous knowledge of the subject.

An End to Suffering is a deeply original and provocative book about the Buddha's life and his influence throughout history, told in the form of the author's search to understand the Buddha's relevance in a world where class oppression and religious violence are rife, and where poverty and terrorism cast a long, constant shadow. Mishra describes his restless journeys into India, Pakistan, and Afghanistan, among Islamists and the emerging Hindu middle class, looking for this most enigmatic of religious figures, exploring the myths and places of the Buddha's life, and discussing Western explorers' "discovery" of Buddhism in

the nineteenth century. He also considers the impact of Buddhist ideas on such modern politicians as Gandhi and Nelson Mandela. As he reflects on his travels and on his own past, Mishra shows how the Buddha wrestled with problems of personal identity, alienation, and suffering in his own, no less bewildering, times. In the process Mishra discovers the living meaning of the Buddha's teaching, in the world and for himself. The result is the most three-dimensional, convincing book on the Buddha that we have.

accessing the Akashic Records on behalf of other people, how to ask questions, and how to handle the information as it comes in The Akashic Records are a vast domain of energetic imprints much like a movie library, a living vibrational field that stores all possible futures, the present, and the past. As soon as your soul begins its life experience, a field of energy is released that records every thought, word, action, desire, and emotion. In this guide to opening the Akashic Records, Maureen St. Germain provides precise instructions explaining how to connect with your personal Record Keepers, gain clear access to the Akashic Records, discover information about you and your loved ones, and learn your soul ' s purpose. The author explains how outside energies can influence your connection to the Akashic

Records. She details energetic clearing exercises to remove the energies blocking or shadowing your access and teaches the Higher Self Protocol to ensure an authentic channel of communication. She explores how to find the Record Keepers who will be the most helpful to you and provides techniques and tools, such as guided energy work, to prepare you for Akashic Record access, initiate you into the 5D mindset, and invite more accuracy and a stronger connection. She details the specific markers to look for to recognize genuine Akashic Librarians and to validate and confirm the information you receive, rather than simply “ trusting ” it to be true. it comes in. Explaining why the Ascended Masters opened access to the Akashic Records to all of humanity and how their presence assists you, St. Germain shows how the intended purpose for working with the Akashic Records is for soul growth, not to “ repair ” your karma debts. By seeing your records and working with your Record Keepers, not only will you learn your soul ’ s purpose and help solve the problems that crop up in everyday life and relationships, but you will amplify your spirituality and begin operating at a higher level in consciousness. Your work in the Akashic Records aids and assists in Earth ’ s ascension.

in David Miller's first book, *Connecting with the Arcturians*, which explored the fifth dimension and our relationship to higher Extraterrestrial groups. This new book explains how the Arcturian energy melds with that of the White Brother/Sisterhood and the Ascended Native American Masters to bring about planetary healing. David offers the reader an understanding of the soul, the nature of soul evolution, and how the human species is advancing towards the next evolutionary step. "There will be many of you in this time who will be able to complete fantastic tasks. If I would declare to you what I see, you would be astonished that you could possibly carry out such tasks.
