Delicious (Buchanans, #1) by Susan Mallery

Susan Mallery is, simply put, a great classic romance writer. This introduction to the Seattle-based Buchanan Family saga, focusing on the eldest Cal and his tumultuous relationship with his ex Penny, is really well done. It introduces the family so well, clearly outlining each of their personalities without coming across as muddled.

broth—or maybe two is enough to make it irresistible.

When ex-Marine Walker Buchanan stops to help Elissa Towers change a tire, he tells himself it's just the neighborly thing to do. And when Elissa finds herself baking him a thank-you pie, she's just returning the favor—right? Both of them have sworn off dating—Elissa's determined to protect her little girl, and that means ditching her taste for dangerous men—especially former Marines with dark secrets. Walker knows that he's not cut out for hearth and home—his own crazy family made sure of that. But the sparks won't stop flying between them. Now the two are struggling to keep their relationship "just friends," but with every kiss, their rules fly out the window—

After three romantic flame-outs in a year and a restaurant career going nowhere, Dani Buchanan needs a fresh start. She goes looking for her biological father, but never expects to find a senator running for president. As his long-lost "love child," Dani could seriously derail the election—something his handsome campaign manager Alex Canfield isn't going to let happen. Dani isn't about to let Alex run her life, no matter how tempting she finds him—and Alex isn't going to allow Dani to melt his cynicism, no matter how close he has to get. The last thing either of them wants is love, especially with scandals brewing and family trouble on the way. But Dani and Alex are forced to trust each other, and when trust turns to passion, the potential for disaster is only a tabloid scandal away.
