This desert island survival activity is based off the Lost at Sea team building game with a little tweak to fit my students' needs. This is n relation to the book Robinson Crusoe in my literature class. In this lesson, students participate in an exciting journey from a lavish cruise ship to a deserted island. The objective is to have them work cooperatively in small group of 5 or 6 and use their critical thinking to "survive" should they be stranded in a remote, isolated place (just ...

*Desert Island Survival Activity*

The Desert Survival Situation provides a unique opportunity to quickly and objectively measure whether your groups are achieving synergy—as well as demonstrate this otherwise elusive concept. Synergy occurs when the interactive efforts of two or more people produce a solution that is superior to their independent solutions.
