The book Do Less, delivers a great and unique format to guide you through your minimalist endeavors. I like the fact that its not only aimed at one type of lifestyle; whether you are a single person looking to streamline your life, or a parent who's looking to make some changes, it resonates at any point you are in your life.

## **Joy of Doing Nothing**

Who doesn't want to do less work, do better work, and still get "it all" done?

Duh. A minimalist lifestyle begins with getting really (really really) comfortable with the idea that more does not equal better. The minimalist guide to productivity starts with a simple theory. A

Then, all that's left to do is add your seasonings of choice and roast on a high temperature (375-425F or 190-218 C).

Also, rely on the convection setting if you have it to get your ingredients browned with crispy edges. See this recipe for oil-free roasted vegetables for the full guide.
