"Don't They Know It's Friday" by Jeremy Williams serves as perhaps the only cross-cultural guide book of its kind to a visitor to the Gulf. Several Gulf countries are "emerging" countries and as such it is easy for the Westerner to expect similar levels of social systems and standards as it exists back in their country. Reality however is different.

Don't They Know It's Friday by Jeremy Williams is a cross-cultural guide for business and life in Gulf – this is true all the way. The author offers ready solutions that might have been perplexing, otherwise, for outsiders. Jeremy Williams has a way to be a sure guide in giving good advice on Gulf business practices, culture and behaviour patterns. Moreover, the book dispels myths associated with the region.

Book Review | Don't They Know It's Friday? By Jeremy Williams

Very little is known about the origins of the day's notoriety. Some historians believe that the superstitions surrounding it arose in the late 19th century. The first documented mention of the day can be found in a biography of Italian composer Gioachino Rossini, who died on a Friday the 13th.

13 Facts About Friday the 13th - Time and Date

Don't They Know it's Friday? by Jeremy Williams, 9781860630743, available at Book Depository with free delivery worldwide.

A business handbook which addresses the cross cultural aspects of life affecting Westerners and Gulf nationals of all GCC countries and deals with the realities of business practice and the mental stresses and strains of operating in the Gulf as a Western visitor or expatriate.

Author Tony Campolo has a reputation for delivering a profound message with sharp wit, unbridled passion, and complete honesty. This classic book, expanded from the film of the same title, brings you face to face with Dr. Campolo to hear just such a message: an unashamed proclamation that the Gospel of Christ, when taken seriously, is able to meet every human need-the need for psychological health, emotional well-being, self worth and value, love, purpose in life, miracles, and hope. With passion and

humor Campolo challenges us to face life's problems with the hope of the resurrection and shout, "It's Friday, but Sunday's comin'!"

Experience the joy of God's message and begin each day with a positive outlook with these words of wisdom from Lakewood Church pastor and #1 New York Times bestselling author Joel Osteen. Research that shows people are happiest on Fridays. Now, learn how you can generate this level of contentment and joy every day of the week. As a man who maintains a constant positive outlook in spite of circumstances, Osteen has described this message as a core theme of his ministry. With personal experiences, scriptural insights, and principles for true happiness, he'll show you how to find the same opportunities for pure joy that you experience at five o'clock on Friday.

Hailed by the critics and lauded by readers for its riotously funny and scathing portrayal of America in an age of trial by media, materialism, and violence, Vernon God Little was an international sensation when it was first published in 2003 and awarded the prestigious Man Booker Prize. The memorable portrait of America is seen through the eyes of a wry, young, protagonist. Fifteen-year-old Vernon narrates the story with a cynical twang and a four-letter barb for each of his townsfolk, a medley of characters. With a plot involving a school shooting and death-row reality TV shows, Pierre's effortless prose and dialogue combine to form a novel of postmodern gamesmanship.

Christ's seven last words from the cross have long been a source of reflection, challenge, and soul-searching. These simple statements contain the full range of human emotions and divine self-revelation: grief, compassion, despair, forgiveness, physical need, the promise of redemption. In many ways they embody the core of the gospel. In this brief book one of today's most noted churchpersons and preachers confronts the reader with the seven last words's claim on her or his life. Written with the clarity, depth, and insight that are Will Willimon's trademark, this book offers afresh the challenge and grace of the message of the Crucified One.

The deliberate devaluation of Blacks and their communities has had very real, far-reaching, and negative economic and social effects. An enduring white supremacist myth claims brutal conditions in Black communities are mainly the result of Black people's collective choices and moral failings. "That's just how they are" or "there's really no excuse": we've all heard those not so subtle digs. But there is nothing wrong with Black people that ending racism can't solve. We haven't known how much the country will gain by properly valuing homes and businesses, family structures, voters, and school districts in Black neighborhoods. And we need to know. Noted educator, journalist, and scholar Andre

Perry takes readers on a tour of six Black-majority cities whose assets and strengths are undervalued. Perry begins in his hometown of Wilksburg, a small city east of Pittsburgh that, unlike its much larger neighbor, is struggling and failing to attract new jobs and industry. Bringing his own personal story of growing up in Black-majority Wilksburg, Perry also spotlights five others where he has deep connections: Detroit, Birmingham, New Orleans, Atlanta, and Washington, D.C. He provides an intimate look at the assets that should be of greater value to residents—and that can be if they demand it. Perry provides a new means of determining the value of Black communities. Rejecting policies shaped by flawed perspectives of the past and present, it gives fresh insights on the historical effects of racism and provides a new value paradigm to limit them in the future. Know Your Price demonstrates the worth of Black people's intrinsic personal strengths, real property, and traditional institutions. These assets are a means of empowerment and, as Perry argues in this provocative and very personal book, are what we need to know and understand to build Black prosperity.

A young boy eagerly awaits the start of Shabbat as challah rises, matzah balls cook, and the table is prepared by his loving family.

A #1 New York Times bestseller and the first novel in a brand-new series—from bestselling author Abbi Glines—about a small Southern town filled with cute boys in pickup trucks, Friday night football games, and crazy parties that stir up some major drama. To everyone who knows him, West Ashby has always been that guy: the cocky, popular, way-too-handsome-for-his-own-good football god who led Lawton High to the state championships. But while West may be Big Man on Campus on the outside, on the inside he's battling the grief that comes with watching his father slowly die of cancer. Two years ago, Maggie Carleton's life fell apart when her father murdered her mother. And after she told the police what happened, she stopped speaking and hasn't spoken since. Even the move to Lawton, Alabama, couldn't draw Maggie back out. So she stayed quiet, keeping her sorrow and her fractured heart hidden away. As West's pain becomes too much to handle, he knows he needs to talk to someone about his father—so in the dark shadows of a post-game party, he opens up to the one girl who he knows won't tell anyone else. West expected that talking about his dad would bring some relief, or at least a flood of emotions he couldn't control. But he never expected the quiet new girl to reply, to reveal a pain even deeper than his own—or for them to form a connection so strong that he couldn't ever let her go...
