A searing chronicle of wartime experiences, Even the Women Must Fight probes the cultural legacy of North Vietnam's American War. Unflinching in its portrayal of hardship, valor, and personal sacrifice, this wrenching account is nothing short of a revelation, banishing in one bold stroke the familiar image of Vietnamese women as passive onlookers, war brides, prostitutes, or helpless refugees.

Amazon.com: Even the Women Must Fight: Memories of War ...
According to a Vietnamese proverb, when war strikes close to home, even the women must fight. As u.s. troops disembarked in Viet Nam in 1965 and the air war heated up, some women in the North joined the armed forces, over a hundred thousand were mobilized in volunteer youth corps, and close to one million served in local militia units.

Even The Women Must Fight Memories Of War From North ...
They are brave, resilient survivors of a war they should never have had to fight, and they are still fighting for their place in the country they defended. "Even the Women Must Fight" ranks with such classics as "When Heaven and Earth Changed Places" and "The Sorrow of War" as an unflinching and empathic window into the damage war wreaks on the land where it is fought and the people there who fight it.
