I recently bought a evinrude  
fisherman 5.5 model 5514.  
Got it fired today but it  
was not wanting to idle and  
didn't wanna start vary  
easily also seemed to have a  
slight miss. Was wandering  
if anyone would have any  
ideas where to start. Report

For sale, we are offering an original, vintage, 1963 owners boat motor manual, Evinrude Fisherman 5.5 HP, (models 5302 & 5303). This manual is New Old Stock (NOS) from a local marine and small motor business. These manuals are unused old stock, stored for all these decades in a back room neatly filed and are in great condition.

Re: 1964 Evinrude 5.5

fisherman Your right, Steve.

1964 was the last year of  
the 5.5 hp. However, the

lower unit was relatively  
unchanged and used on

several different models up  
to 1979. All 5.5 hp

Johnson/Evinrude lower units  
are the same. From what I've

seen the Gales of that era  
used the same lower unit as

the Johnson/Evinrudes.
