Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase full of special things. 2. He's the author of Bud Caldwell's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself. 3. His momma never told him who his father was, but she left a clue: flyers advertising Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road to find this mystery man, nothing can stop him—not hunger, not fear, not vampires, not even Herman E. Calloway himself. Your students will develop a greater understanding of the math concepts required for mastery of the new NCTM Standards. Easy-to-follow instructions, fun-to-solve puzzles and riddles, and many self-checking activities make these books a hit in any middle school math class.

This book contains over 100 classroom-tested projects and ideas taken directly from the pages of The Math Projects Journal, a periodical that for over six years has shared these one-of-a-kind lessons with teachers around the world. MPJs Ultimate Math Lessons offers you 80 innovative lessons and activities that can be immediately implemented in your classroom. Most of these lessons have an accompanying student handout that may be photocopied for use in your classes. To avoid reducing these unique lessons to mere worksheet exercises, the book provides 27 thoughtprovoking articles that will assist you in incorporating math projects in your daily routines and that will challenge the very way in which you think about math education. The lessons in this book have proven to help teachers increase student understanding of mathematics and, in turn, raise student achievement on standardised tests.

Practicing addition and subtraction skills can be easy and fun with clear instructions, step-by-step examples, and colorful illustrations. Engaging activities teach and reinforce place value, regrouping, fact families, and more.
