The New York Times–bestselling time management book from the author of The 7 Habits of Highly Effective People. Stephen R. Covey’s First Things First is the gold standard for time management books. His principle-centered approach for prioritizing gives you time management tips that enable you to make changes and sacrifices needed in order to obtain happiness and retain a feeling of security. First Things First: The Interactive Edition takes Dr. Covey’s philosophy and remasters the entire text to include easy-to-understand infographics, analysis, and more. This time-saving version of First Things First is the efficient way to apply Dr. Covey’s tested and validated time management tips, while retaining his core message. This guide will help you: • Get more done in less time • Develop and retain rich relationships • Attain inner peace • Create balance in your life • And, put first things first “Covey is the hottest self-improvement consultant to hit US business since Dale Carnegie.” —USA Today “Covey has reached the apex with First Things First. This is an important work. I can’t think of anyone who wouldn’t be helped by reading it.” —Larry King, CNN “These goals embody a perfect balance of the mental, the physical, the spiritual, and the social.” —Booklist

First Things First is a college coursebook like no other. Written by three First Amendment experts and professors, the book provides students with the fundamentals of modern American free speech law in a clear, concise, and accessible manner. First Things First also introduces readers to First Amendment issues related to topics such as student speech, freedom of the press, civil rights, LGBTQ rights, advertising, music censorship, and artificial intelligence. The text includes scores of audio and video links, photographs, and helpful study-aid summaries and questions. First Things First’s vibrant and engaging tone ensures readers will leave this book with a dynamic understanding of their rights and the value of free speech. “First Things First sets the standard for teaching free speech law.... It combines clearly-written case narratives with frequent excursions to a rich trove of other online material—including video and audio files—that provide additional legal and historical context.” —Stephen D. Solomon (founding editor, First Amendment Watch) “With admirable clarity and brevity, First Things First covers the field of First Amendment law and theory in a readable and accessible way.... This innovative book explains not just the fundamentals of First Amendment law, but how we got to where we are, and why.” —Robert Corn-Revere (First Amendment lawyer) First Things First is a welcome addition to the course materials for students studying law, journalism, history, political science, government and a host of other disciplines. —Lucy A. Dalglish, dean and professor, Philip Merrill College of Journalism, University of Maryland First Things First is an incredibly insightful and inviting introduction to U.S. speech and press law. Its approach makes its content completely accessible to beginner and expert alike. But even better, its scores of online links to additional layers of material—including streaming audio and video—make this narrative and case-oriented resource like no other. In addition to teaching the law, the various elements help to reveal what it means to live in a free speech society. First Things First is made for the 21st century student—and professor. —Joseph Russomanno, Associate Professor, Arizona State University

From the multimillion-copy bestselling author of The 7 Habits of Highly Effective People—hailed as the #1 Most Influential Business Book of the Twentieth Century—The 3rd Alternative turns Dr. Stephen R. Covey’s formidable insight to a powerful new way to resolve professional and personal difficulties and create solutions to great challenges in organizations and society. There are many methods of “conflict resolution,” but most involve compromise, a low-level accommodation that stops the fight without breaking through to amazing new results. The 3rd Alternative introduces a breakthrough approach to conflict resolution and creative problem solving, transcending traditional solutions to conflict by forging a path toward a third option, a 3rd Alternative that moves beyond your way or my way to a higher and better way—one that allows both parties to emerge from debate or even heated conflict in a far better place than either had envisioned. With the 3rd Alternative, nobody has to give up anything, and everyone wins.

In the ten years since its publication, The 7 Habits of Highly Effective People has become a worldwide phenomenon, with more than twelve million readers in thirty-two languages. Living the 7 Habits: Stories of Courage and Inspiration captures the essence of people’s real-life experiences, applying proven principles to help them solve their problems and overcome challenges. In this uplifting and riveting collection of stories, readers will find wonderful examples of hope and encouragement as they are touched by the words of real people and their experiences of change-change that got them through difficult times; change that solved family crises; change that mended broken relationships; change that turned their businesses around; change that influenced entire communities.

An inspirational and practical guide to leadership from the New York Times–bestselling author of The 7 Habits of Highly Effective People. Covey, named one of Time magazine’s 25 Most Influential Americans, is a renowned authority on leadership, whose insightful advice has helped millions. In his follow-up to The 7 Habits of Highly Effective People, he poses these fundamental questions: How do we as individuals and organizations survive and thrive amid tremendous change? Why are efforts to improve falling so short in real results? How do we unleash the creativity, talent, and energy within ourselves and others? Is it realistic to believe that balance among personal and professional life is possible? The key to dealing with the challenges that we face is to identify a principle-centered core within ourselves and our institutions. In Principle-Centered Leadership, Covey outlines a long-term, inside-out approach to developing people and organizations. Offering insights and guidelines on how to apply these principles both at work and at home, Covey posits that these steps will lead not only to an increase in productivity and quality of work, but also to a new appreciation of personal and professional relationships as we strive to enjoy a more balanced, rewarding, and ultimately more effective life. “There seems to be no limit to the number of writers offering answers to the great perplexities of life. Covey, however, is the North Star in this field . . . without hesitation, strongly recommended.” —Library Journal

In the 7 Habits series, international bestselling author Stephen R. Covey showed us how to become as effective as it is possible to be. In his long-awaited new book, THE 8th HABILIT, he opens up an entirely new dimension of human potential, and shows us how to achieve greatness in any position and any venue. All of us, Covey says, have within us the means for greatness. To tap into it is a matter of finding the right balance of four human attributes: talent, need, conscience and passion. At the nexus of these four attributes is what Covey calls voice - the unique, personal significance we each possess. Covey exhorts us all to move beyond effectiveness into the realm of greatness - and he shows us how to do so, by engaging our strengths and locating our powerful, individual voices. Why do we need this new habit? Because we have entered a new era in human history. The world is a profoundly different place than when THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE was originally published in 1989. The challenges and complexity we face today are of a different order of magnitude. We enjoy far greater autonomy in all areas of our lives, and along with this freedom comes the expectation that we will manage ourselves, instead of being managed by others. At the same time, we struggle to feel engaged, fulfilled and passionate. Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset, a new skill-set, a new tool-set - in short, a whole new habit.

Principle-Centered Guidance for Times That Seem Out of Control The world is changing dramatically and it’s easy to be alarmed and lose focus of what really matters most. Don’t fall into that trap! Carry your own weather, be proactive, and learn and apply the time-tested principles of The 7 Habits of Highly Effective People. A lot can happen when you have a burst of inspiration. Develop positive behaviors to bring clear communication and harmony to your relationships?not just with others, but also the one you have with yourself. Discover these breakthroughs and more with The 7 Habits on the Go.

This commemorative collection captures the essence of Dr. Stephen R. Covey’s most profound teachings on business, success, management, family, and love. Stephen R. Covey passed away in July 2012, leaving behind an unmatched legacy with his teachings about leadership, time management, effectiveness, success, and even love and family. A multimillion-copy bestselling author of self-help and business classics, Dr. Covey strove to help readers recognize the key elements that would lead them to personal and professional effectiveness. His seminal work, The 7 Habits of Highly Effective People, transformed the way people act on their problems with a compelling, logical, and well-defined process. Indeed, many of the habits have been assimilated into everyday thinking and everyday conversation. For example, the expressions “win/win” and “first things first,” to name a few, have been incorporated into almost every business culture around the world. The Wisdom and Teachings of Stephen R. Covey is a compilation of Dr. Covey’s most insightful, inspiring teachings and sayings. His profound influence spread beyond businesses and individuals and was even integrated into governments, school systems, and many other institutions with great success. This book covers his most impactful topics: time management, success, leadership—including principle-centered leadership—all of the 7 Habits, love, and family. This powerful collection is a lasting tribute to the inspirational luminary that so many will miss. *** Selected Wisdom from Stephen R. Covey: “How different our lives are when we really know what is deeply important to us, and keeping that picture in mind, we manage ourselves each day to be and to do what really matters most.” “Live, love, laugh, leave a legacy.” “But until a person can say deeply and honestly, ‘I am what I am today because of the choices I made yesterday,’ that person cannot say, ‘I choose otherwise.’” “Seek first to understand, then to be understood.” “To touch the soul of another human being is to walk on holy ground.”

From New York Times–bestselling author Steven Gaines comes a wry and touching memoir of his trials as a gay teen at the famed Payne Whitney Psychiatric Clinic. One of These Things First is a poignant reminiscence of a fifteen-year-old gay Jewish boy’s unexpected trajectory from a life behind a rack of dresses in his grandmother’s Brooklyn bra-and-girdle store to Manhattan’s infamous Payne Whitney Psychiatric Clinic, whose alumni includes writers, poets, and madmen, as well as Marilyn Monroe and bestselling author Steven Gaines. With a gimlet eye and a true gift for storytelling, Gaines captures his childhood shtetl in Brooklyn, and all its drama and secrets, like an Edward Hopper tableau: his philandering grandfather with his fleet of Cadillacs and Corvettes; a giant, empty movie theater, his portal to the outside world; a shirtless teenage boy pushing a lawnmower; and a pair of tormenting bullies whose taunts drive Gaines to a suicide attempt. Gaines also takes the reader behind the walls of Payne Whitney—the “Harvard of psychiatric clinics,” as Time magazine called it—populated by a captivating group of neuroathenics who affect his life in unexpected ways. The cast of characters includes a famous Broadway producer who becomes his unlikely mentor; an elegant woman who claims to be the ex-mistress of newly elected president John F. Kennedy; a snooty, suicidal architect; and a seductive young contessa. At the center of the story is a brilliant young psychiatrist who promises to cure a young boy of his homosexuality and give him the normalcy he so longs for. For readers who love stories of self-transformation, One of These Things First is a fascinating memoir in the vein of Susanna Kaysen’s Girl, Interrupted and Augusten Burroughs’s Running with Scissors. With its novelistic texture and unflagging narrative, this book is destined to become one of the great, indelible works of the memoir genre.
