The Essential Guide to Writing History Essays is a step-by-step guide to the typical assignments of any undergraduate or master's-level history program in North America. Effective writing is a process of discovery, achieved through the continual act of making choices--what to include or exclude, how to order elements, and which style to choose--each according to the author's goals and the intended audience. The book integrates reading and specialized vocabulary with writing and revision and addresses the evolving nature of digital media while teaching the terms and logic of traditional sources and the reasons for citation as well as the styles. This approach to writing not only helps students produce an effective final product and build from writing simple, short essays to completing a full research thesis, it also teaches students why and how an essay is effective, empowering them to approach new writing challenges with the freedom to find their own voice.

This book takes a developmental perspective at the use of scoring rubrics to assess student work. Citing developmental characteristics of each age, the author presents examples and adaptations of assessment rubrics on a variety of subjects for teachers from kindergarten through adult/college. After a presentation of foundation information on rubrics, separate chapters are devoted to each grade level from primary through adult. Written so that each chapter can be addressed independently, the book provides additional chapters devoted to assessing technological topics and using rubrics with students with special needs.

The final chapters provide practical information to help teachers to create their own rubrics and to convert rubric scores to letter grades. An updated annotated listing of recommended rubric websites is included.

This practical handbook is designed to help anyone who is preparing to teach a world history course - or wants to teach it better. It includes contributions by experienced teachers who are reshaping world history education, and features new approaches to the subject as well as classroom-tested practices that have markedly improved world history teaching.

The book you're about to read is not only a superb analysis of rubrics but a lesson in how to apply careful thinking to classroom practice. -Alfie Kohn, Author of *The Case Against Standardized Testing*
This book will create the conversations educators desperately need-about accurate assessment, quality in writing, and informed teaching. -Randy Bomer, Author of *For a Better World*
The conventional wisdom in English education is that rubrics are the best and easiest tools for assessment. But sometimes it's better to be unconventional. In *Rethinking Rubrics in Writing Assessment*, Maja Wilson offers a new perspective on rubrics and argues for a better, more responsive way to think about assessing writers' progress. Though you may sense a disconnect between student-centered teaching and rubric-based assessment, you may still use rubrics for convenience or for want of better alternatives. *Rethinking Rubrics in Writing Assessment* gives you the impetus to make a change, demonstrating how rubrics can

hurt kids and replace professional decision making with an inauthentic pigeonholing that stamps standardization onto a notably nonstandard process. With an emphasis on thoughtful planning and teaching, Wilson shows you how to reconsider writing assessment so that it aligns more closely with high-quality instruction and avoids the potentially damaging effects of rubrics. Stop listening to the conventional wisdom, and turn instead to a compelling new voice to find out why rubrics are often replaceable. Open *Rethinking Rubrics in Writing Assessment* and let Maja Wilson start you down the path to more sensitive, authentic style of writing assessment.

The *Take a Stand!* series teaches students how to be historians. They learn not what to think or memorize, but how to analyze the events of the past. This unique approach makes the student an active participation in the analysis of the past. This is the best of critical thinking, Socratic discussion, and analytical writing in history. The *Take a Stand!* series is not a set of textbooks, but rather thinking, reading, speaking, and writing guides. *Take a Stand!* shows the student how to be a historian. You will need to use history texts and documents to complete the *Take a Stand!* method. The *Teacher's Edition* has all of the pages of the *Student's book* and contains answers to the research activities. Included also is a series of lessons for the teacher on how to teach *Take a Stand!*, how to lead the Socratic Discussion, and how to assign and grade writing assignments in history. *Thinking and Writing Skills: Fact or Opinion? Judgment, Supporting Evidence, Primary or Secondary Analysis, Using Quotes, Paraphrasing, Thesis Statement, Conclusion, Outline for a One-Paragraph Essay, Rough Draft for a One-Paragraph Essay, Taking Notes, Thesis Statement for a Five Paragraph Essay, Rough Draft for a Five Paragraph Essay, Revising, Documenting Sources in a Text, Works Cited, Typing Guidelines, The Cover Page and Checklist, Thesis Statement for a Multi-Page Essay, Counter argument, Analyzing Primary Sources,*
