Fountas & Pinnell Leveled Literacy Intervention (LLI) is a powerful early intervention system that can change the path of a student's journey to literacy. The LLI Orange System is specifically targeted at Foundation/Kindergaten students. Please note the program guide is not suitable for educators who have not yet purchased an LLI Orange System. This component is only available separately so that schools with the LLI Orange System can purchase additional copies of the program guide if they require. Find out more about the Fountas & Pinnell LLI System at www.pearson.com.au/primary/LLI

This frequently updated, subscription-based, on-line list contains more than 45,000 books submitted by over 300 publishers.

Widely adopted as an ideal introduction to the major models of reading, this text guides students to understand and facilitate children's literacy development. Coverage encompasses the full range of theories that have informed reading instruction and research, from classical thinking to cutting-edge cognitive, social learning, physiological, and affective perspectives. Readers learn how theory shapes instructional decision making and how to critically evaluate the assumptions and beliefs that underlie their own teaching. Pedagogical features include framing and discussion questions, learning activities, teacher anecdotes, classroom applications, and examples of research studies grounded in each approach. y New to This Edition *Chapter on physiological foundations of reading development, including the impact of nutrition, sleep, and exercise. *Chapter on affective/emotional perspectives, such as the role of engagement and teacher-student relationships. *Additional social learning perspectives: Critical Race Theory and Multiliteracies Theory. *All chapters updated with the latest research; many new teacher anecdotes added.

Take advantage of our pre-publication price and order now! What can change the landscape of literacy education in every classroom? The Fountas & Pinnell Literacy Continuum: Expanded Edition! The Fountas & Pinnell Literacy Continuum: Expanded Edition is the newest edition of the beloved Continuum of Literacy Learning resource by best-selling literacy authors and educators, Irene Fountas and Gay Su Pinnell. There has never been a more comprehensive resource available to teachers that does what the continuum does - provide specific behaviors and understandings that are required at each level for students to demonstrate thinking within, beyond, and about the text. These behaviors and understandings describe what students will be expected to do in order to effectively read and understand the text. More in-depth, more intuitive, and more essential than ever-The Fountas & Pinnell Literacy Continuum, Expanded Edition enables teachers to construct a common vision for student achievement that effectively and efficiently engages all students in the robust, authentic and meaningful literacy learning every child deserves. The Literacy Continuum provides a way to look for specific evidence of learning from prekindergarten through grade eight, and across eight instructional contexts. Each instructional context contributes substantially, in different but complementary ways, to students' development of the literacy process. With this indispensable literacy tool, Fountas and Pinnell remind you of The Literacy Continuum's critical role in transforming literacy teaching and learning. (Re)Discover The Fountas & Pinnell Literacy Continuum, Expanded Edition to: elevate your language and literacy expertise develop an understanding of the demands of texts on readers build your understanding of the reading and writing process and how it changes over time hone your observation of students' literacy behaviors teach toward student integration of the Systems of Strategic Actions articulate the literacy curriculum within and across grade levels activate the responsive teaching that meets students where they are and brings them forward with intention and precision build professional learning opportunities with colleagues create a common vision and common language for literacy in your school. The Fountas & Pinnell Prompting Guide 2, for Comprehension: Thinking, Talking, and Writing contains precise language to use when teaching, prompting for, and reinforcing effective strategic actions in reading and writing. Classroom teachers, reading specialists, literacy teachers, and literacy coaches can use the

flip chart as a ready reference while working with students in several instructional setting and contexts. Fountas and Pinnell provide language for teaching readers how to focus or expand their thinking through talk and writing before, during, and after reading. The goal is to help students think in three broad ways. 1. Thinking Within the Text Noticing and using the information that is directly stated in the text 2. Thinking Beyond the Text Noticing what is implied, not explicitly stated 3. Thinking About the Text Analyzing the writer's craft and thinking critically about the whole text. The prompts in this flip chart tool are designed to help teachers help teachers demonstrate, prompt for, or reinforce effective reading behaviors related to comprehension including Self-monitoring and Self-correcting Searching for and Using Meaning Summarizing Predicting Inferring Making Connections Synthesizing Analyzing Critiquing
