"The work is a compilation of advice and stories from hundreds of students at more than 100 colleges across the US, regarding all the important aspects of life as a first-year college student, based on interviews with those students. Topics covered include: leaving home, dormitory life, studying, choosing classes and majors, fraternities, extra-curricular activities, campus food, etc. The work also includes short "expert articles" written by professionals who work with college students. This is the 5th edition of How to Survive Your Freshman Year"--

How to Survive Your Freshman Year (6th edition) is the perfect send-off gift for college-bound high school graduates. This revamped edition of America's #1 college advice guide includes new advice from hundreds of college students from around the country, alongside the best timeless advice from earlier editions. This ultimate "insider's guide" to college life helps entering freshmen navigate the challenging transition to college life. In addition, the book features expert advice from college advisers and administrators, mental health professionals and others.

A completely revised and updated values-based guide to navigating the first year of college that speaks to college students in their own language and offers practical tools that readers need to keep from drinking, sleeping, or skipping their way out of college. In the four years since its initial publication, THE FRESHMAN SURVIVAL GUIDE has helped thousands of first year students make a successful transition to college life. However, much has changed on campuses. The explosion of technology, ubiquity of social media, and culture changes have all added new layers of complexity to the leap from high school to college. THE FRESHMAN SURVIVAL GUIDE's updated edition features new research and advice on issues such as mental health, sexual assault, and finding balance. It also features expanded sections on dating, money management, and an increased focus on how the over 1.5 million incoming freshman can prepare themselves for the biggest change they've encountered in their lives: heading off to college.

Provides college freshmen with advice on such topics as dorm life, roommates, choosing classes, studying, working, laundry, dating, free time, and fraternities and sororities.

How to Survive Your Freshman Year offers incoming college freshmen the experience, advice, and wisdom of their peers: hundreds of other students who have survived their first year of college and have something interesting to say about it. Based on interviews with hundreds of college students at every type of higher-learning institution across the country, this book has insights on every aspect of college life, including, what to take to the dorm, living with roommates, Facebook and other social networks, extracurricular activities, choosing classes, studying, going abroad, finances, food, the social scene, doing laundry, staying in touch with friends and family, and much more. Highly readable, much of the book consists of short snippets with some interesting insight and advice from the college students interviewed. The book also includes expert input from college advisors and officers.

Provides college freshmen with advice on such topics as dorm life, roommates, choosing classes, studying, working, laundry, dating, free time, and fraternities and sororities.

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and

perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Coach Dan Blank once again over-delivers for readers with another essential how-to book for college-bound soccer players. Written in the same plainspoken tone that shot Soccer iQ to best-seller status, ROOKIE is more conversation than book. It gives rising college freshmen a revealing preview of life as a college soccer player and provides them with a wealth of survival tips for making the most of their debut seasons. ROOKIE covers topics that incoming freshmen will be starved to learn, including a remarkably clear cut strategy for earning playing time.

Kaye McGarry has written just the book to help parents of college freshmen and prospective parents of college freshmen understand the college transition process. Her book A New Beginning...A Survival Guide for Parents of College Freshmen gives parents help, advice and inspiration as they let go and cross that bridge towards a new beginning for their life as well as the lives of their students. This is a delightful book that will surely bring peace of mind to those parents, who after reading it, will begin to change from 'governing their kids' to 'talking with their young adults. They will understand the challenges and opportunities both they and their students will face in this process and learn how to show support to their students in helpful and meaningful ways.
