Enter Mickey Leigh's book,
"I Slept With Joey Ramone."

Mickey is Joey Ramone's
younger brother and a player
on the punk and New York
music scene in his own
right. That fact puts him in
a position to give us
insights into Joey and the
band that no one else could,
and I think that to a large
degree he succeeds here.

Joey Ramone died at the age of 49 following a seven-year battle with lymphoma at New York-Presbyterian Hospital on April 15, 2001, a month before he would have turned 50. He was reportedly listening to the song "In a Little While" by U2 when he died. In an interview in 2014 for Radio 538, U2 lead singer Bono confirmed that Joey Ramone's family told

The “entertaining and enlightening” (Stephen King)

Read Free I Slept With Joey Ramone A Punk Rock

final word on the genius and mischief of the Ramones, told by the man who created the beat behind their iconic music and lived to tell about it. When punk rock reared its spiky head in the early seventies, Marc Bell had the best seat in the house. Already a young veteran of the prototype American metal band Dust, Bell took residence in artistic, seedy Lower Manhattan, where he played drums in bands that would shape rock music for decades to come, including Wayne County, who pioneered transsexual rock, and Richard Hell and the Voidoids, who directly

Read Free I Slept With Joey Ramone A Punk Rock

inspired the entire early British punk scene. If punk had royalty, in 1978 Marc became part of it when he was knighted "Marky Ramone" by Johnny, Joey, and Dee Dee of the iconoclastic Ramones. The band of tough misfits were a natural fit for Marky, who dressed punk before there was punk, and who brought his "blitzkrieg" style of drumming as well as the studio and stage experience the band needed to solidify its lineup. Together, they changed the world. But Marky Ramone changed, too. The epic wear and tear of a dysfunctional group (and the Ramones were a step beyond dysfunction)

endlessly crisscrossing the country and the world in an Econoline—practically a psychiatric ward on wheels—drove Marky from partying to alcoholism. When his life started to look more out of control than Dee Dee's, he knew he had a problem. Marky left music in the mid-eighties to enter recovery and eventually returned to help the Ramones finally receive their due as one of the greatest and most influential bands of all time. Covering in unflinching detail the cult film Rock 'N' Roll High School to "I Wanna Be Sedated" to Marky's own struggles, Punk Rock

Read Free I Slept With Joey Ramone A Punk Rock

Blitzkrieg is an authentic and always honest look at the people who reinvented rock music, and not a moment too soon.

Raised in Queens, New York, Johnny Ramone founded one of the most influential rock bands of all time, but he never strayed from his blue-collar roots and attitude. He was truly imbued with the angry-young-man spirit that would characterize his persona both on and off stage. Through it all, Johnny kept the band focused and moving forward, ultimately securing their place in music history by inventing punk rock. The

Read Free I Slept With Joey Ramone A Punk Rock

Ramones were inducted into the Rock and Roll Hall of Fame in 2002—two years later, Johnny died of cancer, having outlived two other founding members. Revealing, inspiring, and told on his own terms, this highly designed memoir also features Johnny's assessment of the Ramones' albums; a number of eccentric Top Ten lists; rare historical artifacts; and scores of personal and professional photos, many of which have never before been published.

Praise for *Commando*:

“Amazing book . . . dense and throbbing with character—enough to bring this departed New York icon

Read Free I Slept With Joey Ramone A Punk Rock

barking back to life." -New York Daily News "Johnny's delightful, sadly posthumous autobiography, *Commando*, is just like its author—as punk as it gets." -Wall Street Journal "Ramone memoir reveals charming, grumpy punk icon." -Reuters "There's no grand confessional to end *Commando*, just a nod of gratitude toward family, friends, and fans. Its characteristic succinctness rings genuine." -Austin Chronicle

Lobotomy is a lurid and unlikely temperance tract from the underbelly of rock 'n' roll. Taking readers on

Read Free I Slept With Joey Ramone A Punk Rock

Family Memoir By Leigh
Mickey 2010 Paperback

a wild rollercoaster ride from his crazy childhood in Berlin and Munich to his lonely methadone-soaked stay at a cheap hotel in Earl's Court and newfound peace on the straight and narrow, Dee Dee Ramone catapults readers into the raw world of sex, addiction, and two-minute songs. It isn't pretty. With the velocity of a Ramones song, Lobotomy rockets from nights at CBGB's to the breakup of the Ramones' happy family with an unrelenting backbeat of hate and squalor: his girlfriend ODs; drug buddy Johnny Thunders steals his ode to heroin, "Chinese Rock"; Sid Vicious shoots up using

Read Free I Slept With Joey Ramone A Punk Rock

toilet water; and a pistol-wielding Phil Spector holds the band hostage in Beverly Hills. Hey! Ho! Let's go!

From their 1974 debut at New York's premier punk dive, through the classic albums and blistering live sets, The Ramones cut an unforgettable swathe through two decades of pop, setting the scene for punk and hardcore with honed-down songs and ferocious 20 minute sets, but always putting the music first. Seen through the eyes of the people who were there at the time, including musicians, managers, producers, publicists and New York punk

Read Free I Slept With Joey Ramone A Punk Rock

scenesters, this book shows the heroic Ramones staying faithful to their own unique musical vision right to the bitter end. This updated edition now climaxes with the sad death of guitarist Johnny Ramone.

The Ramones' music has influenced nearly every power pop, punk, alternative, and metal band. Monte A. Melnick served as The Ramones tour manager from their early New York club days in the '70s to their farewell gigs in 1996. He was the fifth Ramone and was there through the arrests, the ODs the fights, the break-ups, the make-ups,

Read Free I Slept With Joey Ramone A Punk Rock

the girlfriends, the hotels and the binges. Filled with memorabilia including photographs and interviews collected along the way, this is his view of life on the road with the band as "babysitter to psychiatrist, booking agent to travel agent, paymaster to van driver."

It's 1982 and the Ramones are in a gutter-bound spiral. Following a run of inconsistent albums and deep in the throes of internal tensions, the legendary quartet is about to crash and burn. Enter Richie Ramone. Then a 26-year-old from New Jersey named

Read Free I Slept With Joey Ramone A Punk Rock

Richard Reinhardt, he's snapped up by the group to be their new drummer and instantly goes from the obscurity of the underground club scene to membership in the most famous punk-rock band of all time, revitalizing the pioneering outfit with his powerful, precise, and blindingly fast beats - composing classic cuts like the menacing anthem "Somebody Put Something in My Drink" and becoming the only Ramones percussionist to sing lead vocals for the group. With the Ramones, he performs over five hundred shows at venues all around the world and records three storming

true story be told -- by the stars, movie makers, and other industry players who lived it. And what a story it is: Through hundreds of original interviews, contemporary newspaper accounts, police reports, court testimony, and more, Legs McNeil and coauthors Jennifer Osborne and Peter Pavia trace today's billion-dollar industry from its makeshift, mob-connected origins to the Internet age. Along the way we encounter porn stars such as Linda Lovelace, John Holmes, Traci Lords, and Savannah -- along with countless mainstream stars, politicians, FBI agents, and more. Epic,
