limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy.

Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune ' s Spear, which leads to the death of

Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man ' s bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of “ hope and change, ” and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is

always possible. This beautifully written and powerful book captures Barack Obama ' s conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

Known around the world simply as Lula, Luis Inacio Lula da Silva was born in 1945 to illiterate parents who migrated to industrializing Sao Paulo. He learned to read at ten years of age, left school at fourteen, became a skilled metalworker, rose to union leadership, helped end a military dictatorship—and in 2003 became the thirty-fifth president of Brazil. During his administration, Lula led his country through reforms that

lifted tens of millions out of poverty. Here, John D. French, one of the foremost historians of Brazil, provides the first critical biography of the leader whom even his political opponents see as strikingly charismatic, humorous, and endearing. Interweaving an intimate and colorful story of Lula's life—his love for home, soccer, factory floor, and union hall—with an analysis of large-scale forces, French argues that Lula was uniquely equipped to influence the authoritarian structures of power in this developing nation. His cunning capacity to speak with, not at, people and to create shared political meaning was fundamental to his political triumphs. After Lula left office, his opponents convicted and incarcerated him on charges of

### Jefferson, James Madison, and George Washington.

From the bestselling author of *Assassination Vacation* and *The Partly Cloudy Patriot*, an insightful and unconventional account of George Washington's trusted officer and friend, that swashbuckling teenage French aristocrat the Marquis de Lafayette. Chronicling General Lafayette's years in Washington's army, Vowell reflects on the ideals of the American Revolution versus the reality of the Revolutionary War. Riding shotgun with Lafayette, Vowell swerves from the high-minded debates of Independence Hall to the frozen wasteland of Valley Forge, from bloody battlefields to the Palace of

Versailles, bumping into John Adams, Thomas Jefferson, Lord Cornwallis, Benjamin Franklin, Marie Antoinette and various kings, Quakers and redcoats along the way. Drawn to the patriots ' war out of a lust for glory, Enlightenment ideas and the traditional French hatred for the British, young Lafayette crossed the Atlantic expecting to join forces with an undivided people, encountering instead fault lines between the Continental Congress and the Continental Army, rebel and loyalist inhabitants, and a conspiracy to fire George Washington, the one man holding together the rickety, seemingly doomed patriot cause. While Vowell ' s yarn is full of the bickering and infighting that marks

Adams is perhaps the most eclectic, accomplished, and important American writer of his time. His autobiography and modern classic *The Education of Henry Adams* was widely considered one of the best English-language nonfiction books of the 20th century. The last member of his distinguished family—after great-grandfather John Adams, and grandfather John Quincy Adams—to gain national attention, he is remembered today as an historian, a political commentator, and a memoirist. Now, historian David Brown sheds light on the brilliant yet under-celebrated life of this major American intellectual. Adams not only lived through the Civil War and the Industrial Revolution but he met Abraham

by ~~America~~ Nick Bryant reveals

how America's decline paved the way for Donald Trump's rise, sowing division and leaving the country vulnerable to its greatest challenge of the modern era.

Deftly sifting through almost four decades of American history, from post-Cold War optimism, through the scandal-wracked nineties and into the new millennium, Bryant unpacks the mistakes of past administrations, from Ronald Reagan's 'celebrity presidency' to Barack Obama's failure to adequately address income and racial inequality. He explains how the historical clues, unseen by many (including the media) paved the way for an outsider to take power and a country to slide towards disaster. As Bryant

Revolution series, Nathaniel Philbrick tells the thrilling story of the year that won the Revolutionary War. In the fall of 1780, after five frustrating years of war, George Washington had come to realize that the only way to defeat the British Empire was with the help of the French navy. But coordinating his army's movements with those of a fleet of warships based thousands of miles away was next to impossible. And then, on September 5, 1781, the impossible happened. Recognized today as one of the most important naval engagements in the history of the world, the Battle of the Chesapeake—fought without a single American ship—made the subsequent victory of the Americans at Yorktown a virtual
