Download File PDF Inference Text Dependent Questions Stems

On the surface, a text-dependent question (TDQ) is simply a question whose answer can be derived directly from information in the supporting text. However, for text-dependent questions to be an effective teaching tool, teachers must create meaningful questions that enhance learning, rather than simply require students to repeat back information. So, how do we create good text-dependent questions? 1. Identify the purpose.

3 Simple Tips for Writing Text-Dependent Questions ...

Text-dependent questions are so much more than a right there question. They can be as simple or as complex as you need them to be. There are three main types of text-dependent questions. They are: 1. questions that address themes and central ideas. 2. questions that assess knowledge of vocabulary, meaning, and structure
