Derived from the renowned multi-volume International Encyclopaedia of Laws, this practical analysis of sports law in Ireland deals with the regulation of sports activity by both public authorities and private sports organizations. The growing internationalization of sports inevitably increases the weight of global regulation, yet each country maintains

its own distinct regime of sports law and its own national and local sports organizations. Sports law at a national or organizational level thus gains a growing relevance in comparative law. The book describes and discusses both state-created rules and autonomous self-regulation regarding the variety of economic, social, commercial, cultural, and political aspects of sports activities. Self-regulation manifests itself in the form of by-laws, and encompasses organizational provisions, disciplinary rules, and rules of play. However, the trend towards more professionalism in sports and the growing economic, social and cultural relevance of sports have prompted an increasing reliance on legal rules adopted by public authorities. This form of regulation appears in a variety of

legal areas, including criminal law, labour law, commercial law, tax law, competition law, and tort law, and may vary following a particular type or sector of sport. It is in this dual and overlapping context that such much-publicized aspects as doping, sponsoring and media, and responsibility for injuries are legally measured. This monograph fills a gap in the legal literature by giving academics, practitioners, sports organizations, and policymakers access to sports law at this specific level. Lawyers representing parties with interests in Ireland will welcome this very useful guide, and academics and researchers will appreciate its value in the study of comparative sports law.

classroom supplements to college textbooks and often serve as a main textbook in business brush-up programs. Business Law focuses on the importance of legal theory in the everyday business world, explaining such subjects as tort responsibility, government regulations, contracts, environmental law, product liability, consumer protection, and international law, among many other topics. Also discussed in detail are the legal aspects of partnerships, franchises, and corporations, as well as special topics that include business crimes, property as a legal concept, intellectual property, and similar pertinent topics. A study aid labeled Key Terms appears at the beginning of each chapter, and You Should Remember summaries are strategically interspersed throughout the text.

unassuming white lorry was parked on Corporation Street in the city centre of Manchester, England; it contained over 3000 pounds of high explosive. At 11.15hrs the same day, Manchester witnessed the detonation of the largest device on the British mainland since the second World War ... The Irish Republican Army claimed responsibility for the attack. Based around actual events, LETTERBOX tells the story of Liam Connor, an ordinary boy brought up in Manchester by a seemingly ordinary family. He goes to the local school, loves football and has a best friend called Sean ... an ordinary life! Unbeknown to Liam, his father, Michael Connor, harbors a dark historic secret, following a life a lot less ordinary ... as a furtive, yet high ranking soldier within the IRA. As a result of extraordinary circumstances, Liam's

innocent and carefree world is shattered when he is exposed to the truth about his family's heritage and then learns about the tragic death of his father at the hands of the SAS. Consumed with both hate and the need to seek retribution, Liam is taken to Ireland where he is intensively trained to become a highly skilled and efficient soldier within the Irish Republican Army ... He is 16 years old! Some years later, following the drug-induced death of his beloved sister, Liam is given the opportunity to exact his revenge on those he believed should truly be blamed for the tragedies in his life ... The British Government! Thus, on the 15th June 1996, it was Liam's responsibility to drive the bomb laden lorry into the unsuspecting city of Manchester and let the voice of the IRA be clearly heard ... And listened to!!
