Isola Del Tempo Perso

Osteria Del Tempo Perso ("the lost time eatery") is a delightfully cozy new Italian restaurant on the corner of Bruntsfield Place. Patron Matteo Iacobelli has another restaurant with the same name ...

Osteria Del Tempo Perso

Osteria del Tempo Perso is exceedingly quirky, as part of its interior is clearly composed of medieval cave walls and the rest is just plain drywall. Nonetheless, the rustic, old-timey eatery is ...

10 Restaurants That Are Literally Underground

Luca is a tribute to Italy, its atmospheres and scents, in particular to those of the Italian Riviera where director Enrico Casarosa, 49, spent long summers during his childhood and adolescence.

Franco Battiato The shadow of the light Testo Lyrics

The city of Rome has more than 2,000 years of history (assumed to have been founded on April 21, 753 BC) and it is full of ancient, or very old (historic) buildings, churches and monuments.

Via Veneto: still waiting for a Renaissance

Then there's the design scene – the Triennale hosts a permanent exhibition on Italian design, and every April, the Salone del Mobile ...
Mi sono perso/a How much is...: Quanto costa ...

In the hours before his brother is born, eight year old Joe has an unusual visitor, Mika, who falls out of a spaceship and lands upside down in an apple tree in Joe's garden. Hens, dinosaurs, an astronaut and a white rabbit all play their part in this magical story in which the encounter between Earth-boy and alien opens up the wonders of the universe.Tender and enchanting as The Little Prince and with the same classic quality, HELLO? IS ANYBODY THERE? confirms Jostein Gaarder as an exceptional writer for children. Sally Gardner's lively pencil drawings on almost every page make this a delightful package.

Dedico questo libro, questa raccolta di poesie alla mia Famiglia: a mia moglie, che nonostante tutti i problemi di salute non mi ha mai fatto mancare il sostegno, alle mie figlie che mi hanno accompagnato in tutto il percorso soprattutto quando ero a Bologna nel Post Trapianto, a tutti i miei famigliari: fratelli, sorelle, cognati e cognate che con la loro presenza mi sono stati vicini, tutti gli amici, la comunit à parrocchiale, i tanti Sacerdoti e suore sparsi per il mondo che con affetto, con la loro presenza, pensieri, ma soprattutto con la preghiera non mi hanno mai fatto mancare il loro sostegno e hanno condiviso con me questo cammino. Grazie mille di cuore a tutti. Mi chiamo Daniele Pracucci, ho 54 anni (classe 1964) e sono nato a Cesena; vivo a Gambettola con mia moglie e le nostre due figlie, lavoro presso una ditta come manutentore elettromeccanico. Nel 2016 come un fulmine a ciel sereno mi è stata diagnosticata la Leucemia Acuta Linfoblastica, sono stato subito ricoverato a Ravenna in un centro specializzato e inserito in un progetto internazionale di cura in cui ho dovuto affrontare un percorso di 8 cicli di Chemioterapia della durata di 30 giorni per ciclo. Dal 10 di Gennaio 2017 sono stato ricoverato a Bologna per l ' ultimo ciclo e il 25 Gennaio mi hanno sottoposto a Trapianto allogenico di Midollo osseo da donatore esterno in quanto non compatibile con i miei fratelli e sorelle. Data questa mia lunga permanenza in ospedale, tra Ravenna e Bologna in condizioni di isolamento è nata l ' esigenza di condividere con le persone a me care questa avventura, tenendole aggiornate giorno per giorno su quanto mi stava accadendo, raccontando sensazioni e stati d ' animo. Dalla raccolta di questi pensieri, poesie, pillole giornaliere è nata l ' idea di scrivere questo libro.

Edogawa Ranpo (1894-1965) was a great admirer of Edgar Allan Poe and like Poe drew on his penchant for the grotesque and the bizarre to explore the boundaries of conventional thought. Best known as the founder of the modern Japanese detective novel, Ranpo wrote for a youthful audience, and a taste for playacting and theatre animates his stories. His writing is often associated with the era of ero guro nansense (erotic grotesque nonsense), which accompanied the rise of mass culture and mass media in urban Japan in the 1920s. Characterized by an almost lurid fascination with simulacra and illusion, the era ' s sensibility permeates Ranpo's first major work and one of his finest achievements, Strange Tale of Panorama Island (Panoramato kidan), published in 1926. Ranpo ' s panorama island is filled with cleverly designed optical illusions: a staircase rises into the sky; white feathered " birds " speak in women ' s voices and offer to serve as vehicles; clusters of naked men and women romp on slopes carpeted with rainbow-colored flowers. His fantastical utopia is filled with entrancing music and strange sweet odors, and nothing is ordinary, predictable, or boring. The novella reflected the new culture of mechanically produced simulated realities (movies, photographs, advertisements, stereoscopic and panoramic images) and focused on themes of the doppelganger and appropriated identities: its main character steals the identity of an acquaintance. The novella ' s utopian vision, argues translator Elaine Gerbert, mirrors the expansionist dreams that fed Japan's colonization of the Asian continent, its ending an eerie harbinger of the collapse of those dreams. Today just as a new generation of technologies is transforming the way we think—and becoming ever more invasive and pervasive—Ranpo's work is attracting a new generation of readers. In the past few decades his writing has inspired films, anime, plays, and manga, and many translations of his stories, essays, and novels have appeared, but to date no English-language translation of Panoramato kidan has been available. This volume, which includes a critical introduction and notes, fills that gap and uncovers for English-language readers an important new dimension of an ever stimulating, provocative talent.
