The early years of Bolshevik rule were marked by dynamic interaction between Russia and the West. These years of civil war in Russia were years when the West strove to understand the new communist regime while also seeking to undermine it. Meanwhile, the Bolsheviks tried to spread their revolution across Europe at the same time they were seeking trade agreements that might revive their collapsing economy. This book tells the story of these complex

interactions in detail, revealing that revolutionary Russia was shaped not only by Lenin and Trotsky, but by an extraordinary miscellany of people: spies and commissars, certainly, but also diplomats, reporters, and dissidents, as well as intellectuals, opportunistic businessmen, and casual travelers. This is the story of these characters: everyone from the ineffectual but perfectly positioned Somerset Maugham to vain writers and revolutionary sympathizers whose love affairs were as dangerous as their politics. Through this sharply observed exposé of conflicting loyalties, we get a very vivid sense of how diverse the shades of Western and Eastern political opinion were during these years.

It's unrealistic to expect to engage in full-on sex all the time, which is why "quickies" are not optional, they're damn necessary. The Art of the Quickie is a book that will coach readers how to have quick, but rewarding sex. Quickies can be even more fulfilling than those long sessions because the thrill involved in having sex unexpectedly and/or in forbidden locations adds a potent element of excitement. But what about women, is the quickie fair to them? The Art of the Quickie features definitive guidelines for women to experience faster orgasms-in 5 minutes!-thereby relieving men of the performance anxiety that often accompanies the responsibility of bringing their partners to orgasm. The Art of the Quickie features twenty-five full-color photographs of various techniques, positions, and exciting, forbidden places that are perfect settings for a quickie.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Tokyo Travel Map from Periplus is designed as a convenient, easy-to-use tool for travelers. Created using durable coated paper, this map is made to open and fold multiple times, whether it's the entire map that you want to view or one panel at a time. Following highways and byways, this map will show you how to maneuver your way to banks, gardens, hotels, golf courses, museums, monuments, restaurants, churches and temples, movie theaters, shopping centers and more! This 4th edition includes maps and plans that are scaled to: City Plans: Northern Tokyo 1:15,000 Southern Tokyo 1:15,000 Periplus Travel Maps cover most of the major cities and travel destinations in the Asia-Pacific region. The series includes an amazing variety of fascinating destinations, from the multifaceted subcontinent of India to the bustling city-state of Singapore and the 'western style' metropolis of Sydney to the Asian charms of Bali. All titles are continuously updated, ensuring they keep up with the considerable changes in this fast-developing part of the world. This extensive geographical reach and attention to detail mean that Periplus Travel Maps are the natural first choice for anyone traveling in the region.
