Mom & Me & Mom (2013) is the seventh and final book in author Maya Angelou 's series of autobiographies. The book was published shortly before Mother's Day and Angelou's 85th birthday. It focuses, for the first time in her books, on Angelou's relationship with her mother, Vivian Baxter.

From quizzes and car games to recipes and story starters, this book is full of fun things for girls to do with their moms. They can tear out and share the notes and gift coupons. They can test their knowledge of each other with checklists made for two. And they can get to know each other even better with games and activities that are sure to leave them giggling.

Little Critter and his mother take a trip to the city exploring the department stores and museums.

Just Mom and Me Having Tea is a perfect venue for mothers and daughters to strengthen their special bond and grow in their Christian walk. relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* —*Mom & Me & Mom* is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible. —*The Washington Post* —*Moving . . . a remarkable portrait of two courageous souls.* —*People* —[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon. —*Elle* —*Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman.* —*Essence*

Little Critter describes a trip to the grocery store and shopping mall with his mother and difficult little sister.

There is something to celebrate every day a mother and child spend together. The double flaps of this book unfold to reveal the way simple activities become special when they are shared. The days pass into seasons, the seasons pass into years, but the bond between "only my mom and me" remains.

This stunning mother and son journal is packed full of new shared activities with insightful questions, prompts, drawings, lists and lots of free writing space which is guaranteed to help you strengthen the bond between a mother and son.

I've heard it said that being a mom is like watching your heart walk around outside of your body. No matter how protective we are there are some things guaranteed to be out of our control. Yet, as mothers, we put on our brave faces and we set out to conquer and overcome whatever challenges motherhood throws our way. Twenty-One valiant moms have collaborated to share how they have pushed through and survived seemingly insurmountable obstacles. Being a mom isn't about being perfect. I promise you, there is no perfect mom on this earth. What you will see in the pages of this book is the strength, determination, and courage of these incredible mom's, told through the experiences they have endured along one of the most daring journeys we as women can ever attempt - Motherhood. Fans of Sophie Kinsella's sparkling humor will love her first ever illustrated series for young readers about the charming adventures of a mother-daughter fairy duo! Ella Brook can't wait to grow up, because one day she will become a fairy and have her own sparkly wings and a teacher on Fairy Tube, just like her mom! Until then, Ella has to learn by watching her mom in action. But sometimes spells go wrong, and Ella's mom can never seem to remember the right magic codes on her Computawand. A lot of the time, it's up to Ella to come to the rescue. Does she have what it takes to be a fairy one day? Or will there be more glitches than glitter?
