The road to DOOMSDAY CLOCK begins here. During the unforgettable events of DC UNIVERSE: REBIRTH, Batman found a mystery he can't even begin to solve—A strange bloodstained smiley-face button embedded in the Batcave wall. All analysis suggests the button is not of this universe...so where did it come from? And who left it here? These are questions only the Flash can help answer. When the button is stolen by Reverse-Flash, Batman and Flash follow his trail to a parallel world, a twisted alternate timeline that shouldn't exist. Someone is sending the heroes on a bizarre trip through reality, showing them glimpses of fallen loved ones and forgotten friends—but who? Wally West warned the Flash of an unseen force influencing our world—distorting histories, pulling the strings, watching all—and the strange yellow button could be the key to finding it. Featuring the all-star creative team of

Our society defends free markets and free speech; why then does it permit such top-down control? To lose our long tradition of free culture, Lawrence Lessig shows us, is to lose our
