physical sciences in Kaplan are more calculation intensive than AAMC. I believe this practice in doing more calculation-heavy PS sections really helped me on the real test.

Kaplan Mcat Practice Tests By Kaplan  
The Physical Science section is the easiest section to improve your score as their aren't as many physics or chemistry concepts to learn as compared to biology concepts. And also, since most people taking the MCAT are not from a physical science background, the questions are very straight forward.
