Modern Journalism At A Glance

Journalism is meant to place the public good above all else and uses specific methods to gather and assess information. In other words, journalism is meant to benefit the people, and journalists should routinely check what they're reporting on to be sure the information is verified and accurate.

Modern Journalism: What You Need To Know To Keep Up In ...

Glance journalism is non-click journalism. The study may simply explain the obvious and note what we all do: go to Twitter to see news decided on my

people we follow, or go to a homepage to see an editor's view of the top headlines, and then dive into the "huh? How can that be?" story.

Glance journalism: News without a click-through

Journalism majors are required to take core courses in media writing, media tools and applications, and media law and ethics. In addition, students are required to take two courses each in the categories of Writing, Creating and Engaging.
