I bought a Nissan GL600 generator new in 1983. It was sold as a promotional item at Nissan car dealerships (I bought a new truck back then.) Anyway the thing still runs great and I have the complete "book" manual for it. The "case" for the generator is just screwed/bolted together and completely comes apart easily for cleaning and service (and to expose likely deteriorated fuel line that is ...

I recently picked up a Nissan GL600 generator. The prior owner obtained it new in the mid 80's. Apparently, this generator was some type of promotional unit when buying a new vehicle. He used this generator for years with no issues. The last few years, it has set in the garage and done nothing. The generator seems to run fine, although the prior owner seems to think it was running a little ...
