About SAC. The Selected Areas in

# Download File PDF Selected Areas In

Cryptography (SAC) series was initiated in 1994, when the first workshop was held at Queen's University in Kingston. The organizing committee for that first workshop consisted of Carlisle Adams, Henk Meijer, Stafford Tavares and Paul van Oorschot. From its original emphasis on block ciphers, SAC has evolved into a leading international conference in cryptography covering a range of topics in the field.

## Conference on Selected Areas in Cryptography (SAC)

SAC 2007 was the 14th in a series of annual workshops on Selected Areas in Cryptography. This is the first time this workshop was held at the University of Ottawa. Previous workshops were held at Queen's University in Kingston (1994, 1996,
