Learn How to Sew Lined Curtains, Step By Step on Bluprint

Sew the bottom seam. Use your measurement for the length to figure out how long your finished curtains should be. My curtains needed to be 80" long, so I marked the fabric at that point and folded it under twice, so that the finished curtain would be 80" long. Pin in place and sew the seam. Iron all your seams flat.

Now, starting at the end with the hems, align the edges making sure to position the hem of the lining 2 inches higher than the hem of the curtain fabric. Don't forget to pin as you go. Next you can either stitch along that side, about half an inch in from the edge would be good. Or you can do the same again to the other side and then sew them both.

How to make lined curtains - Step 7a of our Guide to ...

The Curtain sits in the heart of Shoreditch, London's most creative district. Centred around 120 guest rooms and suites, there is a rooftop pool and lounge, 24-hour gym, treatment rooms, co-working space and 6,000 square feet of event space, with a ballroom, screening room and more.
