Based on actual events in mid-Nineteenth Century County Down, Sons of the Sod tells the story of how a young man from the Carrowdore area is falsely accused of the attempted murder of a local squire. First published in 1886, the book proved an instant success locally as it dealt with affairs still within living memory and referred to many colourful characters and families of the neighbourhood.

Sons of the Sod. This novel is probably the least well-known of the three historical "kail-yard" novels published by W G Lyttle in the 1890s. With the others — which are set in the 18th century — the theme of Daft Eddie, or The Smugglers of Strangford Lough is obvious from the title, as is the historical theme of Betsy Gray, or Hearts of Down: A Tale of Ninety-Eight.
