A Verbal Reasoning Test score is interpreted in a similar fashion to that to the other aptitude tests (numerical and abstract). A "pass" score for the verbal reasoning test doesn't exist. Instead your score is compared to a benchmark that based upon scores achieved by others at a similar organisational level and in a similar occupation to the one you are applying for.

How your verbal test score is interpreted

Purpose: The Culture Fair Intelligence Tests measures individual intelligence in a manner designed to reduced, as much as possible, the influence of verbal fluency, cultural climate, and educational level. The tests, which may be administered individually or in a group, are non-verbal and require only the examinees be able to perceive relationships in shapes and figures. Each scale contains 4 ...
