Go Inside Discovery: Drastic Measures with Dayton Ward

Drastic Measures is a thoroughly enjoyable read that greatly expands on the backstory behind one of the original Star Trek series' most intriguing episodes ("The Conscience of the King"). Unlike the first Star Trek: Discovery novel -- David Mack's Desperate Hours-- this novel provides little insight into the characters and motivations on DSC. Phillipa Georgiou is ably portrayed as one of the heroes, but we learn little about her as a person.
