If you require an owner's manual for an older product, click here. By entering the full product name (e.g. MB 248), you will be able to find the relevant manual. STIHL and VIKING online owner's manuals are usually for the latest versions of the machine.

Owners manuals and safety brochures | STIHL

The STIHL SG 20 manual helps ensure constant working pressure, thanks to a pressurized fluid reservoir separate from the main tank. Now you can maintain constant pressure, even through refills. The sprayer is also comfortable and lightweight, helping you get through the day with less fatigue. Write a Review.
