The central document of the Second Vatican Council, Lumen Gentium was promulgated by Pope Paul VI on November 21, 1964. This document is "the keystone" of the Councils whole Magisterium. It focuses on the whole Church as a communion of charity. With it, according to John Paul II, the Second Vatican Council wished to shed light on the Church's reality: a wonderful but complex reality consisting of human and divine elements, visible and invisible.

This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

“ For God so loved the world that he gave his only Son. ” — John 3:16 What does it mean to be saved? Can I know that I am saved? As Christians, and especially as Catholics, we face these questions on a daily basis, not only from the people we meet but also in our own hearts. Scripture provides the answer, for the Bible isn't simply a collection of disjointed tales — it is the story of our salvation. In this Bible study, Fr. Mitch Pacwa guides us through Catholic teaching on salvation, as found in Scripture. With his characteristic wisdom, he tackles tough topics and questions, including grace and free will, repentance and faith, the role of the sacraments, and the necessity of good works. Perfect for a parish small group study or for personal reflection, each of the six sessions in Saved: A Bible Study Guide for Catholics will help us begin to discover the infinite mystery of our salvation, deepening our relationship with the God who saves us.

An introductory chapter explains the meaning of the word "sacrament," while the closing chapter tells you how to recover a sense of the sacred in the liturgy and how to receive God's healing through the sacraments. To help you apply the teaching, frank and thoughtful questions for group discussion are included at the end of all the chapters-making this guide ideal for use in any parish or religious education program. Whether at home, your parish, or in a prayer or study group, this popular guide will help you come to a deeper understanding of the sacraments and their important place in your Christian life.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." — Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Like human life, the Catholic or universal Church is lived forward but understood backward. To appreciate the Church's past, however, does not require that we simply repeat it. Using such a framework, this book puts the present period of the Church in vast historical context. It traces how the Church came from the "community of unexpected persons" whom Jesus gathered around himself and was then shaped, over the course of centuries, by human decisions made in the Spirit. The Church's catholicity is seen to involve an ever expanding memory, embracing the immense richness of past and present times, places, and cultures, and at the same time an openness to assimilating, and possibly being transformed by, a future history in which God offers new possibilities. The book thus proposes that the Church's leadership would do well to nurture a renewed eschatological attitude that embraces a genuine openness to the newness and surprise of the future, leaving room not only for continuity but also for the important elements of change and transformation. For, what the Church is, only the entirety of its history will fully reveal.

Lumen Gentium, Vatican II's Dogmatic Constitution on the Church, changed how the church thinks about the laity, holiness, baptism, and even the nature and purpose of the church itself. In *A Council That Will Never End*, the highly regarded ecclesialist Paul Lakeland marks the fiftieth anniversary of this document's promulgation by taking up three major themes of the constitution, analyzing the text, and identifying some of the questions with which it leaves us. These themes are the role of the bishop in the church and the ways *Lumen Gentium's* teaching relates to various tensions in today's church the laity and in particular the mixed blessing of describing them in the category of "secularity" and the relationships between the church and the people of God and what they tell us about the ways in which all people are offered salvation. Lakeland is convinced that *Lumen Gentium* leaves much unfinished business (as any historical document must), that attending to it will take us beyond much of the now sterile ecclesial divisions, and that the ecclesiology of humility it implies marks the way that theology must guide the church in the years ahead.

"Pray for us oh Holy mother of God" Fr. Pacwa brings his devotion to the Blessed Mother alive for every Catholic in the next in his series of wildly popular Bible studies. *Mary - Virgin, Mother, and Queen: A Bible Study Guide for Catholics* looks at Old and New Testament texts that are relevant to the Marian doctrine, including: God's promise in Genesis that a woman's offspring would strike the head of the serpent The Old Testament Ark of the Covenant as a symbol of Mary Mary's fiat The wedding at Cana Mary at the cross The woman and the dragon in Revelation And more *Mary - Virgin, Mother, and Queen* is perfect for use as a parish Bible study, or for individual learning. Each chapter includes background and study exercises, and questions for reflection and discussion. Fr. Mitch enlightens, clarifies, and challenges Catholics to a renewed devotion to the Blessed Mother, through whom we are drawn nearer to Christ.

The question of whether and how people who have not had the chance to hear the gospel can be saved goes back to the beginnings of Christian reflection. It has also become a much-debated topic in current theology. In *Will Many Be Saved?* Ralph Martin focuses primarily on the history of debate and the development of responses to this question within the Roman Catholic Church, but much of Martin's discussion is also relevant to the wider debate happening in many churches around the world. In particular, Martin analyzes the Dogmatic Constitution on the Church, the document from the Second Vatican Council that directly relates to this question. Contrary to popular opinion, Martin argues that according to this text, the conditions under which people who have not heard the gospel can be saved are very often, in fact, not fulfilled, with strong implications for evangelization.
