Tai Chi: Supreme Ultimate Exercise for Health, Sport and ...

The concept of the taiji ("supreme ultimate"), in contrast with wuji ("without ultimate"), appears in both Taoist and Confucian Chinese philosophy, where it represents the fusion or mother of yin and yang into a single ultimate, represented by the taijitu symbol . Tai chi theory and practice evolved in agreement with many Chinese philosophical principles, including those of Taoism and Confucianism.

Tai chi - Wikipedia

Taiji is a Chinese cosmological term for the "Supreme Ultimate" state of undifferentiated absolute and infinite potential, the oneness before duality, from which Yin and Yang originate, can be compared with the old Wuji. The term Taiji and its other spelling T'ai chi are most commonly used in the West to refer to Taijiquan, an internal martial art, Chinese meditation system and health practice. This article, however, refers only to the use of the term in Chinese philosophy and in Confucianism, T
