## Teaching Languages to Young Learners - Online Course

Language Teaching for Young Learners is an academic, refereed journal, which publishes articles relating to the teaching and learning of foreign / second languages for young learners. 'Young' is defined as including both children and adolescents. Although some young learners receive language instruction in out-of-school contexts, in the main the journal publishes articles reporting on teaching languages in state and private elementary and secondary school contexts.

## Language Teaching for Young Learners

Teaching Languages to Young Learners is one of the few to develop readers' understanding of what happens in classrooms where children are being taught a foreign language. It will offer teachers and trainers a coherent theoretical framework to structure thinking about children's language learning.

One way a teacher can do this is to get the learners to draw or write the words they already know and then draw or write the L1 translation of words they want to know. This can be followed by a spot of peer teaching where learners who know the second set of words teach them to the learners who want to know them.
