The Deepest Well is a rousing wake-up call, challenging us to re-imagine pressing questions of racial and social justice as matters of public health. The research and stories shared in this highly engaging, provocative book prove beyond a reasonable doubt that millions of lives depend on us finally coming to terms with the long-term consequences of childhood adversity and toxic stress.

Dr. Nadine Burke Harris gives an engaging and moving performance narrating her audiobook *The Deepest Well: Healing the Long-Term Effects of Childhood Adversity*. Early in the telling, Dr. Harris tells the story of a 43 year-old male, who is the picture of perfect physical health and fitness and who has no other apparent risk factors, having a massive, debilitating stroke then attributes that stroke to adverse

Dr. Nadine Burke Harris debuted her book, *The Deepest Well: Healing the Long-Term Effects of Childhood Adversity*, at the Philadelphia Free Library this evening in a talk and book signing. This first stop in an ambitious book tour that crisscrosses the country reflects a mission that Burke Harris has pursued for nearly a decade: to spread the knowledge about the science of adverse childhood experiences, and about how people can use this knowledge to help solve our most intractable problems.
