Tony Baxter and Jack Janzen in 2009 at a National Fantasy Fan Club (NFFC) event. The "E" Ticket was a fanzine devoted to the history of Disneyland and its attractions, especially the park as it existed during the lifetime of Walt Disney, publishing forty six issues between 1986 and 2009. It was edited and published by Disneyland fans Leon Janzen and Jack Janzen until Leon's sudden death on September 9, 2003.

A Disney vacation is more than just a vacation. As author Kyle Burbank found out, the magic of the Disney Parks can follow you long after you've left the gates. From traveling around the world to meeting the woman who would be his bride, The Walt Disney Company has had an undeniable effect on the course of his life. The E-Ticket Life: Stories, Essays, and Lessons Learned from My Decidedly Disney Travels celebrates this and takes you along for over a decade of adventures than can all be pinpointed back to Disney-made memories. Throughout your travels, you'll be treated to tales of villainous run-ins, humorous observations from a Disney local's point of view, and gorgeous illustrations that bring the stories to life. Whether you've never been to the Disney Parks or you're an Annual Passholder, The E-Ticket Life has something for you. Fans of "the Mouse," seasoned travelers, or just about anyone who has ever fallen in love will be able to relate to the stories contained in this collection. If you want to plan your next visit to the Disney Parks, pick up a guidebook. But, if you want to go on a journey now, join Kyle Burbank on this exciting and entertaining E-Ticket ride.

This imaginative Little Golden Book, originally published in 1955, tells the story of the creation of Disneyland and the little man who lives there. Boys and girls ages 2 to 5 will love joining Mickey Mouse and Donald Duck as they meet little Patrick Begorra. Great for Disney fans, theme park enthusiasts, and Little Golden Book collectors of all ages!

A fictionalized account on one man's journey through a "theme park of life" after being implored by his dying fiancée to go and discover... Trapped in a prison of his past so he can't see the possibilities, the gifts and the choices available to him, his journey is our journey. Based on Brendon's experience teaching and coaching, he realizes that people never transform the quality of their lives unless their hearts and minds are truly engaged in changing - they need to have a deep, emotional reason to change. This beautiful, engaging story of love, loss and redemption will connect with people immediately. It will also cause readers to think and reflect on their lives more deeply, become more aware of their own life stories, accept their authentic selves, and become accountable for who they are. Brendon reaches out to engage hearts and minds in transforming lives with emotional edge and mental clarity. What is this golden ticket? And what kind of life does it really gain us admission to? The chapters are arranged into life lessons around 4 gates to transformation: Awareness, Acceptance, Accountability, and Action. "Whatever you do, pay the price of admission for Life's Golden Ticket! This book is entertaining, provocative and loaded with wisdom. Honestly, this is the most original book I've read in years!" (Bill Treasurer, CEO, Giant Leap Consulting and author of Right Risk - Ten Powerful Principles for Taking Giant Leaps with Your Life) "I read the story in one sitting, I just couldn't put it down. I cried, I laughed, I cheered, I wondered where it was all going - and when I finished, I was so thankful for the journey" (K C George, Corporate Program Manager, VISA USA) "Life's Golden Ticket is wise without being preachy, inspiring without forgetting insight, entertaining without sacrificing empowerment. Brendon Burchard shows incredible depth, compassion, and wisdom on every page. He has given us a true gift." (Kelley Graham, Director, Levi Strauss & Co)

My Dad was at Shands Hospital in critical condition. He had a serious head injury and had lost some of his memory. He could have died. We are very lucky that he didn't. After about three weeks, my mom agreed to let me see my dad. My sister was fine now, but we were all worried about my dad. When I got up to my dad's floor and into his room, we sat down next to him. My mom woke him up and told him that we were there, but he didn't totally wake up. He thought that I was his sister and that my mom was his mom. When I heard him say this, I started crying. I didn't think that he was going to recover. I was really scared. JANA SANFORD, Sixth Grade

A memoir of fathers and sons, baseball, a world at war, and second chances. "I loved [it]. You will, too" (Jim Morris, author of The Oldest Rookie). Gene Moore was a small-town Illinois farm boy whose passion for "America's Pastime" made him a local legend. It wasn't long before word spread, and the Brooklyn Dodgers came calling on the teenage phenom who could hit a ball a country mile. Headed for stardom, and his dream within reach, Gene's future in the majors was cut short by World War II. In 1944, after joining the US Navy, Gene found himself on a top-secret mission: guarding German sailors captured from U-505, a submarine carrying one of the infamous Enigma decoders. Stuck with guard duty, he decided to bide the time by doing what he loved. Gene taught the POWs how to play baseball. It was a decision that would change Gene's life forever. The story of a remarkable man told by his inspired son, "Gene's journey from promise to despair and back again, set against a long war and an even longer post-war recovery . . . [is] a 20th-century epic that demonstrates how, sometimes, letting go of a dream is the only way to discover one's great fortune" (Publishers Weekly, starred review).

This enthusiastic investigation of Disneyland's hidden treasures leads both first-time visitors and aficionados through the legendary theme park while pointing out tiny surprises around each turn. Helpfully organized as a reading tour, this guidebook features the whereabouts of many of Disneyland's secrets, including the locations of several "hidden Mickeys," and original movie props that appear around the park. Also included are original illustrations, trivia, and an exploration of Disneyland's history, which notes the subtle tributes Walt Disney placed throughout the grounds honoring the people who made the park possible. Also included are fascinating facts about Disneyland and American history that will interest teachers and tour guides as well as the 13.9 million guests who visit Disneyland every year.

Christ's call to love everyone is easy to accept but tough to live. While it's a simple message, life is a bit more complicated. We all know people who test our resolve-and our nerves: a tough boss, a gossiping friend, irritating neighbors. So we change "Love one another" to "Be nice" or "Tolerate difficult people." Yet God longs for us to experience a genuine change of heart, as His extravagant love naturally flows through us to others. He Is My Life is a ten-week journey to enhancing our relationships with God and people. This study shares biblical insights for learning to walk in love. Each day's selection features room for your thoughts, allowing you to journal and meditate on your personal journey. You'll discover how to receive and share God's love, experience healing from emotional wounds, and deepen your personal relationships. The Design4Living series is designed for women seeking to connect God's word with their daily life. Each guide is ideal for both individual and group study.

Sentimental Journey begins in the 1950s in New York City, teeming with European immigrants who occupy sought-after apartments in a state of disrepair and ready to crumble around them. Author Nancy Carroll-Johnson learns of her parents' plans to relocate to sunny California for a better life at the tender age of eleven. In this memoir, she offers a portrayal of a Scots-Irish family of six jammed into a 1952 Plymouth, pulling a U-Haul trailer carrying all their belongings across the United States. Born with a congenital heart defect, having undergone cutting-edge, life-saving open heart surgery at age three, the story of her progressive medical intervention appears in multiple prominent newspapers. Despite obvious contraindications, she has no choice but to breathe in the plumes of smoke exhaled as a result of her parents' Philip Morris habit, along with her brother and two sisters, as they make their way to parts unknown. Through much laughter and tears, and more than one cross-country trip, the Carroll family arrives and stays put on the West Coast. At age sixteen, Nancy meets Drew, and they live on love for the rest of their lives. Sentimental Journey shares an honest and touching story of Carroll-Johnson's journey through time.
