suspicion in the confidence which is naturally reposed in her. The sanctity of home life is at an end whenever subject to similar unpardonable indiscretions. Whenever it is possible, it is a great comfort to a governess to have a room to herself.

THE GOVERNESS.-I. - Victorian London
the Victorian governess was often circumscribed, or even propelled, by heightened interest in, what historian Karen Halttunen calls ‘ scenarios of pain. ’³ Whether depicted in the mainstream press or in nefarious erotica, the governess was contextualized by a wide spectrum of corporal violence and misfortune. As opposed to simply personifying

Victorian Romance English
Edition
Penguin Classics: Agnes Grey | Bronte
Parsonage Museum

Well structured and organized, this book explores the lives and times of British governesses by close examination of the lives of several extraordinary women. Beginning in the late eighteenth century and ending in the mid-nineteenth century, the book chronicles changes in the social system and treatment of governesses that the rise of the middle class wrought.
